

CONSTANTINOPLE IN FLAMES AND TURKS MASSACREING CHRISTIANS

Retreating Turkish Army Left Wide Path of Death and Destruction to Unprotected Christians

MUSSELMANS IN FRENZY AT FALL OF SALONIKA

Fierce Attack on Remaining Forts Renewed—All-Night Meeting of Foreign Representatives Held on a French Cruiser and Arms Will be Furnished All Americans and Others in Constantinople—Cholera is Raging.

Constantinople, Nov. 9.—Affairs are rapidly moving to a climax in Constantinople. The vanguard of the retreating Turkish army reached the capital, leaving behind it a swath of death and destruction. In the suburbs unprotected Christians are being killed.

News of the fall of Salonika reached the populace today for the first time and this, added to the repeated exhortations of the Mohammedan priests for a holy war, has worked the fanatic Mussulmans into a frenzy.

A mob burned several buildings outside of the city today. Followers of Islam marched through the streets crying for the blood of Christians.

200 Families Massacred.

Stara Zagora, Nov. 9.—Two hundred Christian families have been massacred by Turkish soldiers in the town of Bojundon on the Sea of Marmora. A military dispatch from the front today stated that when a Bulgarian column entered the town they found it filled with the dead.

Within the town proper and throughout the surrounding country Turks and roving bands of Mussulmans had burned, pillaged and slain before fleeing from the Bulgars.

Panic reigns even in official circles. With all the principal cities of European Turkey, save Monastir, Janina, Scutari and Constantinople in the hands of the allies and with Adrianople practically fallen the government faces annihilation north of the Bosphorus.

There was an all night meeting of foreign government representatives on board the French cruiser Leon Gambetta. It was decided to furnish arms to all foreign residents for self protection, and to offer the ships of the international fleet in the Golden Horn as places of refuge for foreigners.

A segregated district has been set aside for the cholera patients among the Turkish soldiers. The medical authorities on board the warships are co-operating with the Turkish authorities in an attempt to check the spread of the pestilence. The cholera quarter has been removed as far as possible from the foreign section.

The execution of Turkish soldiers and officers is occurring daily. It is estimated that at least 300 men have been shot to death in the past seven days.

New York, Nov. 9.—The Bulgarians are now bombarding Constantinople. The city is burning and fast falling into ruins. The Turks are massacring the Christians.

The foregoing startling report was received here by Arshag D. Mahdesian, editor of the Magazine Armenian. The cablegram was in secret cipher from a friend of the editor in Constantinople.

Mr. Mahdesian said he could not figure out at what time the message had been filed. He said that three weeks ago he had made arrangements with an Armenian friend in the Turkish capital to flash to him in a special cipher the news of the culmination of the Bulgarian siege of Constantinople the instant it occurred.

Constantinople, Nov. 9.—The bombardment of Constantinople by the Bulgarian forces is expected at any hour.

It is also believed that the Bulgars will attempt to burn the city. Already mysterious fires have appeared in various parts of the capital.

Stories of the distress which prevails among the Turkish troops, of the panic which seized upon the various bodies of the men, and, what is worse, tales of pillage, rapine and massacre continue to come in from various points.

It is reported that Nazim Pasha, the Turkish commander-in-chief, has decided to send to their homes several thousands of his men who have shown the white feather on the field of battle, but logic would suggest

lass and Krdjare districts have been burned by Bulgarian troops, and Daoud and Topuklu and surrounding villages also were destroyed.

An official dispatch received from the wali of Salonika says that two squadrons of Bulgarian cavalry on Thursday attacked the troops guarding the railway station at Orlu, three hours' journey from Adrianople, but that the Bulgars were repulsed, losing 30 men killed.

Pitiful scenes continue to be witnessed daily with the arrival of train loads of wounded from the front. It is significant that most of the men are slightly injured, which would indicate that the badly wounded would have small chance of being picked up. Almost without exception the wounded are on the verge of collapse from exhaustion. Many have been without attention for days and a majority of them without food or water for 24 hours.

The hospitals already are overcrowded and symptoms resembling cholera have appeared. Those suspected of having the disease are isolated in a special shed. If the dread disease should come to Constantinople, where already there is so much distress and suffering among the wounded and refugees, the consequences are too terrible to contemplate.

It is impossible even roughly to estimate the number of refugees in the capital. There are fresh arrivals each day, and every mosque in Stamboul and the suburbs is crowded. Families from various villages and districts are striving as much as possible to keep together.

All the refugees seem resigned to their fate and anxious to go to Asia Minor, where they say the government has promised to give them land. Their long strings of carts, with their children and household effects in them, give the appearance of the exodus of the Turkish race from Europe.

TURKISH FORTS HAVE SURRENDERED

Athens, Greece, Nov. 9.—The capitulation of the Turkish Fortress of Saloniki as well as Fort Karaburun was signed last night, according to an official dispatch received by King George of Greece. Twenty-five thousand Turkish troops surrendered.

CITY MUST FALL IN A FEW DAYS

Vienna, Austria, Nov. 9.—The Bulgarians are now attacking with all their strength the remaining Turkish positions about Thatalja and the fall of these vital Turkish defenses in front of Constantinople is only a matter of hours, according to today's dispatches.

NO UMBRAGE EVIDENCED IN DECISION

Columbus, Nov. 9.—Attorney General Hogan today said there was no difference of opinion between Governor Harmon and himself regarding the question of the supreme justiceship under the recent amendment to the state constitution.

"He merely had the matter before him for consideration and referred it to me for an opinion," said Mr. Hogan. "I would certainly be very slow to express an opinion contrary to the judgment of Governor Harmon, whom I regard as one of the very best lawyers in the state."

EAST MAIN STREET WILL PROBABLY GET NEWARK'S NEW FEDERAL BUILDING

After having remained in the city for three days, looking at the several sites suggested for the location of the new federal building in Newark and investigating land values about town, Mr. William A. Field, private secretary to the assistant secretary of the treasury, returned to Washington Friday night.

The selection of site rests wholly with Assistant Secretary of the Treasury Sherman Allen. Mr. Field is Mr. Allen's personal representative and it is altogether probable that Mr. Allen's action will be based upon the recommendation made by Mr. Field.

Upon arriving in the city Mr. Field visited each of the several sites proposed, viz: The Sherwood lot, now owned by the government; the Metz corner, opposite the county jail; the old Methodist Episcopal church corner, the Knights of Pythias lot, in East Main street; the James E. Thomas property, in East Main; the Seiler Hotel property, in South Second; the lot corner First and Main, just east of Trinity church; and the Prout property, in East Main.

The department's requirement is a lot 160x160, facing upon two streets. A location suitable in other respects might be a little, but not much less in size.

Mr. Field went to the Board of Review and there learned of the tax valuation of the property that has been offered and learned the valuation of adjoining property. He attended a meeting of the Board of Trade directors and discussed the several sites proposed, but the directors made no recommendation whatever, but united in asking Mr. Field to go over the ground carefully and to make a selection that would be to the best interest of the whole city.

The visit of Mr. Field disclosed

the fact that the Prout property would not be accepted because of the fact that two streets are required; the Methodist church corner was too small, though its distance from the railway stations would not necessarily put it out of the "running"; the properties on South Third and South Second may be affected by subway construction. It would seem, therefore, that the selection is narrowed down to East Main street, being almost certain that the Sherwood site will not be used.

It is understood that the Pythian site is being favorably considered, and that provision will be made to make it a corner lot by making the alley wider and converting it into a street. The Thomas property also comes within the requirements. The Thomas property is at the corner of Main and Front and takes in the Thomas homestead. Both the Pythians and Mr. Thomas have agreed to take in the Sherwood site as part payment. The government can get the Pythian site for \$19,000 and the Sherwood lot, while the Thomas property is offered for \$20,030 and the Sherwood lot.

Mr. Field was not at liberty to make public his conclusion, if he has yet reached a decision. The foregoing statement is made, not by Mr. Field, but the statement is written after a talk with Mr. Field as to his impressions of the situation.

It should therefore be understood that the statement here published is not authorized by Mr. Field, and it is possible that the department's decision may be altogether different from this "forecast." It seems probable, however, that the building will be erected in East Main street, between First and Front streets.

Mr. Field reached Washington Saturday and will make his report promptly to the department. An early decision is expected.

GEORGE JOHNSON, LOCAL JAIL BIRD, KILLED IN COLUMBUS

Was Cleaning Automatic Pistol Stolen From Turnkey
George Taylor When Weapon Was Discharged
—Bullet Pierced Neck and Johnson
Died Almost Instantly.

Six hours after burglarizing four homes in the city of Columbus, George Johnson, negro, aged 40, who escaped from the Licking county jail October 25, shot and killed himself while cleaning an automatic pistol at his boarding house. The weapon was accidentally discharged. The bullet pierced his neck. The negro died almost instantly.

When the police ambulance crew took charge of Johnson's body, five gold watches, the result of his night's work, were found in his possession.

Johnson had been boarding at the home of Mrs. Dobbins in North Seventh street for more than a week. Saturday morning, while alone in the dining room, of the Dobbins home, he was cleaning his automatic pistol which he stole from Turn-

key George Taylor the morning he escaped from the jail with Earl Rouse and A. R. Brake.

In some manner the weapon was discharged and the bullet took effect in his neck. He was dead before the police ambulance arrived. It is believed that Johnson's ignorance of the mechanism of the weapon was responsible for his death, as he had not possessed the gun long enough to become familiar with it.

The local police department was notified and Chief of Police Blizard went to Columbus Saturday afternoon to identify the body, though there is no doubt but that the victim of the accident is the former Licking county prisoner.

Johnson, Brake and Rouse escaped from the jail after two of them "hid out" when the cells were lock-

ed. When Turnkey went into the corridor to get the prisoners' dishes, Johnson felled him with a blow over the head with a chair leg. He was robbed of his gun, keys and money. Rouse was released from his cell and the three escaped. Rouse was later recaptured, but Brake is still at large.

ILLINOIS MINORITY LEADER SPENT VAST SUM FOR RE-ELECTION

Washington, Nov. 9.—It cost Representative James R. Mann of Illinois, minority leader of the House, \$2,400 to be re-elected last Tuesday, according to a report he filed with the clerk of the House. His was among the first of the final expense accounts to be reported.

OPEN SWITCH CAUSES TWO FATALITIES

Paris, Nov. 9.—Engineer James Line, of Covington, was killed, Fireman Jas. Hanley of Cynthiana, Ky., probably fatally injured, and another trainman badly hurt when a Louisville and Nashville passenger train bound from Jacksonville, Fla., to Cincinnati, ran into an open switch here last night. The engine was overturned but the coaches remained on the rails.

STEEL CO'S OUTLOOK IS VERY BRIGHT

New York, Nov. 9.—The unfilled tonnage of the United States Steel Corporation, for the month ending October 31st, was 7,594,381 tons. This breaks all monthly or quarterly records. The unfilled tonnage for the same month last year was 3,694,323 tons, and for September this year, 6,551,570 tons.

SUBWAY PLANS DISCUSSED AT S. SIDE MEETING

A large delegation of south side citizens, as well as many from other portions of the city, heard City Engineer C. H. Wells explain the difference between the plans submitted jointly by the Pennsylvania and Baltimore and Ohio railroad, and those submitted by Mitchell & Simpson in behalf of the city.

The plans were exhibited at the meeting of the South Side Citizens' association, and Engineer Wells' explanation was lucid but very technical.

The essential difference is that the railroad plans provide for about thirteen tracks over the subway, whereas five are considered sufficient for traffic purposes by the Mitchell & Simpson plans. The other tracks would be used for switching.

The plans would agree upon the general grade, but it was the unanimous sentiment that to allow almost \$500,000 for switching facilities in the very center of the town, would be poor judgment as well as economy.

The cost of the subway, according to the railroad's plans, would be close to \$1,000,000, and with the plans explained for the city by Engineer Wells, it would be less than half that amount, the principal differences being upon the amount of space used for switching.

Among those present who gave encouragement to the propaganda were Dr. S. C. Priest, Sheriff Frank Stabaugh, Councilman Frank Muenz, J. D. Keeler, E. M. Baugher, W. F. Wulfoop, Charles Stasel and others.

The place of the next meeting will be announced through the papers.

PIPE WORKERS THROWN OUT OF GOOD JOBS

Jackson, O., Nov. 9.—Fire practically destroyed the Crown Pipe works last night, throwing 200 men out of employment.

POOR LO WILL HAVE TO CLEAN OUT HIS TENTS

Washington, Nov. 9.—Assistant Surgeon Paul Pringle of the Public Health Service, today was directed to make an investigation of the prevalence of tuberculosis, trachoma, smallpox and other contagious diseases among the Indians of North and South Dakota.

STEAMER FILLS RAPIDLY.

Quebec, Nov. 9.—The liner Royal George, stranded since Wednesday night on the rocks of the St. Lawrence, was taking water fast today, and may be impossible of rescue.

TEACHERS MEETING AT COLUMBUS

Largest in the History
of Central Ohio
Association

WANT ADVISORY BOARD

Of Five Members Each of Whom
Shall Give Entire Time
to Work.

Columbus, O., Nov. 9.—The Central Ohio Teachers association opened in Columbus Friday afternoon with all of the 14 departmental meetings, into which the convention is divided, well attended. Many of them were filled almost to capacity and while the register which is being kept at the board of education offices is by no means complete, it is probable that the attendance is the largest in the history of the association.

At Cincinnati last year it was estimated that nearly 6000 were present.

During the afternoon, teachers who had spent the morning visiting the Columbus schools, met at the Ohio State University, Chamber of Commerce, Public Library and High School of Commerce to hear programs of interest to their particular line of teaching.

Friday evening the first of the two general meetings which will be held, took place at Memorial Hall. Professor George James, dean of the college of education, University of Minnesota and President I. N. Keyser of the association, were the principal speakers. Superintendent J. A. Shawan of the Columbus schools welcomed the teachers.

Both of the speakers urged a central controlling body with wide and comprehensive powers to govern all of the organizations among the teachers. "We must adopt the principle of expert control," said Professor James. "We must come to recognize that without education there can be no true efficiency. That any teacher who seeks advancement by reason of political, religious or social influence is violating the principle."

President Keyser recommended an advisory board of not less than five members each of whom should give his entire time to the work. He said the state superintendent of instruction should be at the head of the board.

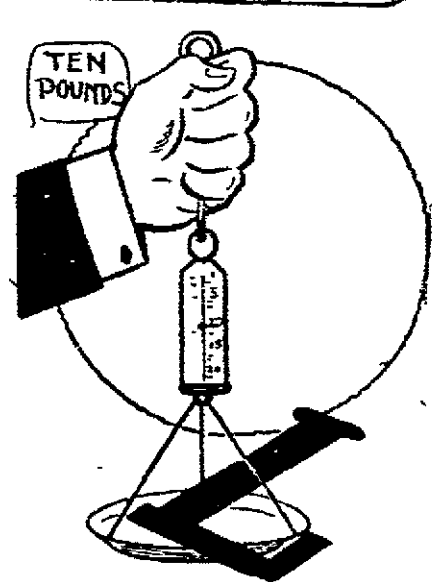

Saturday morning the teachers met at the second and last of the general sessions of the convention at Memorial Hall. At the meeting officers will be elected for the ensuing year and addresses will be made by Professor Charles Prosser, secretary of the Society for the Promotion of Industrial Education, and Prof. Henry Suzzallo of Columbus University.

Saturday afternoon many of the teachers will attend the Ohio State-Oberlin football game at Ohio field.

GEO. JOHNSON OF JOHNSTOWN DRINKS TONIC

George Johnson of Johnstown, drank a quantity of hair tonic Thursday night and died Friday from the effects of the poison. Johnson has been drinking the tonic and other mixtures containing alcohol for some time, according to the information secured by the coroner.

WHAT IS IT?

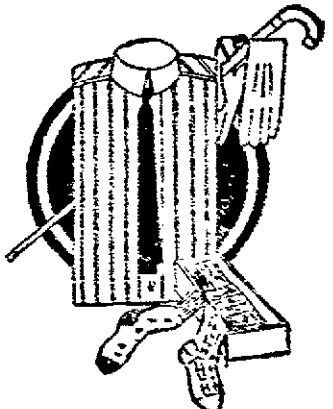

What sea monster?
Answer to Friday's puzzle—Cambridge.

Every Woman is interested and should know about the wonderful MARVEL Whirling Spray. The new hairdressing product. It cleanses, conditions, and gives a soft, wavy, and beautiful finish. It is sold by druggists everywhere.

Unconfirmed reports from Salaniki, which was captured by Greeks yesterday afternoon, indicate that the father and young brother of Christ Arapakis, owner of the Greek restaurant in South Third street, were slaughtered by the Turks just before the fall of the city. The reports received by a Greek newspaper published in New York city give the names of the elder Arapakis and his son as among the victims of the massacre which has astonished Christian Europe, and tells of the entrance of the frenzied Turks into a Greek school house, where the younger Arapakis was a student, and of the terrible murders they committed there.

The local Arapakis has not yet received advices from his other relatives in Salaniki regarding the massacre and is endeavoring to be optimistic in his belief that the reports will prove false and that his people have escaped death at the hands of the Moslem enemy.

James Mastroos, another partner in the Manhattan restaurant, sold his interest to Arapakis & Barbaouris early last week and has returned to Greece, where he will enlist in King George's army, for fighting north of Salaniki.

BAZLER & BRADLEY Funeral Directors
Are at your service day or night. Lady assistant. Free ambulance service. New Phone 1918; Old Phone 459.

Cure Sour Stomach and Bilelessness, Remove Worms, Keep Children Well!
25c. No oil, cathartic in action. Of all druggists or by mail.
The Wm. M. Chappelle & Sons Co., Zanesville, Ohio.

"TAD" M'DONALD DROPPED DEAD IN COLUMBUS

Well Known Newark Man Was Visiting His Brother-in-Law at Capital City.

"Tad" McDonald is dead. Shortly after 1 o'clock Saturday morning, the Advocate was notified that McDonald had dropped dead on the campus of the Ohio State University, where he had gone to deliver some goods for his brother-in-law, who is in the poultry business in Columbus. He had been visiting his brother-in-law in that city during the absence of Mrs. McDonald, who is visiting in Louisville, Ky.

For many years C. D. (Tad) McDonald has been one of the prominent men in the life of this city, numbering among his friends men of all classes. He was especially popular in railroad circles, owing to his long connection with the Baltimore & Ohio railroad.

Mr. McDonald's death came without a note of warning, and was a distinct shock to hundreds in Newark, to whom he had been a generous friend and a cheerful comrade. The body was taken in charge by the Fletcher-Brown Undertaking Co. of Columbus, and at noon today David Criss of the firm of Criss Bros. & Jones, went to that city to bring the body to Newark.

C. D. McDonald was 68 years of age at the time of his death. He was born in New Concord, Muskingum county, and came to Newark in 1848. He entered the service of the Baltimore & Ohio railroad as brakeman and was on duty in the local yards. From this he was advanced to the position of freight conductor and in 1883 was made a passenger conductor, continuing in this position until 1903.

On the date last named he left the service and in company with Will Sheridan went to Mexico in the employ of the International Railway returning to Newark in 1908.

On his return to this city he was the proprietor of the livery barn in the rear of the Auditorium theatre, but discontinued this business after the stable had been destroyed in a disastrous fire. Following this he managed the news stand in the Warden Hotel.

In 1878 Mr. McDonald was united in marriage with Miss Alice Bell, the sister of Robert Bell, ex-captain of police. Mr. and Mrs. McDonald made their home in the building north of the Arcade.

The body of Mr. McDonald will be brought to Newark late this afternoon, but up to this time no funeral arrangements have been made.

MAY APPOINT A PLUMBING INSPECTOR

The appointment of a plumbing inspector for the city will undoubtedly be a matter brought before the city council at an early session, according to the statement made this morning by City Health Officer W. M. Knauss. The State Board of Health is taking an active interest in this phase of city health maintenance, and has sent a communication to all cities of 80,000 population and over, advising that no time be lost in the employment of a competent plumbing inspector. One who is thoroughly capable of tracing possible infection should arise through inferior plumbing connections throughout the city. The State Board advises that the matter be placed on a fee basis, which would make the departure practically self-sustaining.

NEWARK GREEK'S RELATIVES IN THE MASSACRE

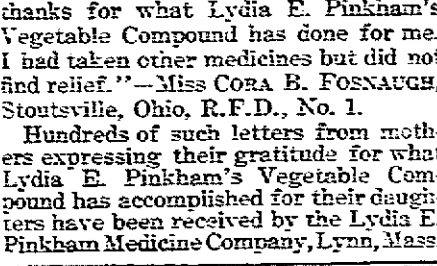

Unconfirmed reports from Salaniki, which was captured by Greeks yesterday afternoon, indicate that the father and young brother of Christ Arapakis, owner of the Greek restaurant in South Third street, were slaughtered by the Turks just before the fall of the city. The reports received by a Greek newspaper published in New York city give the names of the elder Arapakis and his son as among the victims of the massacre which has astonished Christian Europe, and tells of the entrance of the frenzied Turks into a Greek school house, where the younger Arapakis was a student, and of the terrible murders they committed there.

HOW GIRLS MAY AVOID PERIODIC PAINS

The Experience of Two Girls Here Related For The Benefit of Others.

Rochester, N. Y.—"I have a daughter 13 years old who has always been very healthy until recently when she complained of dizziness and cramps every month, so bad that I would have to keep her home from school and put her to bed to get relief.

"After giving her only two bottles of Lydia E. Pinkham's Vegetable Compound she is now enjoying the best of health. I cannot praise your Compound too highly. I want every good mother to read what your medicine has done for my child."—Mrs. RICHARD N. DUNHAM, 311 Exchange St., Rochester, N. Y.

Stoutsville, Ohio.—"I suffered from headaches, backache and was very irregular. A friend advised me to take Lydia E. Pinkham's Vegetable Compound, and before I had taken the whole of two bottles I found relief. I am only sixteen years old, but I have better health than for two or three years. I cannot express my thanks for what Lydia E. Pinkham's Vegetable Compound has done for me. I had taken other medicines but did not find relief."—Miss CORA B. FOSNAUGH, Stoutsville, Ohio, R.F.D. No. 1.

Hundreds of such letters from mothers expressing their gratitude for what Lydia E. Pinkham's Vegetable Compound has accomplished for their daughters have been received by the Lydia E. Pinkham Medicine Company, Lynn, Mass.

PIGSKIN BOYS READY FOR THE BATTLE ROYAL

The University of Cincinnati football team, which is to meet Denison University on Beaver Field this afternoon arrived at the local B. & O. yards shortly before daybreak this morning, in a special tourist sleeper provided for them by the university's athletic association. When seen by an Advocate representative, the boys were in fine spirits and seemed confident of winning this afternoon's contest, despite the strength that the Denison aggregation has shown during the past two weeks.

Dana has been giving his boys a hard working and promises to hand out some plays that will astonish the Baptist players. Coach Livingston, of Denison, was in Newark last evening and promised that every inch of the game would be hotly contested, and expressed his confidence in the ability of his boys to carry the honors.

The line-up of the Cincinnati team will be Stewart, R. E., Perry, R. T., Clyde, R. G., Kline, C., Fehr, L. G., Tilden, L. T., Blau, E., Howard, C. B., Wells, R. H., Heuck, Capt. C. B., and Baehr, F. B. Manager Pottinger also brought nine substitutes and one newspaper correspondent with him.

The Denison line-up will probably be Mitchell, L. E., Ashley, L. T., Thompson, L. G., Rees, C., Bradford, R. G., Black, R. T., Brown, R. E., Deeter, C. B., Roudeshush, L. H., Rupp, R. H., Dunlap, F. B.

JESSE T. REES THANKS FRIENDS
Editor Advocate: Through your columns I desire to express my appreciation to the voters of Licking county for the support they gave me as candidate for County Recorder. I certainly thank all the voters that stood by me. I made a clean fight and am very grateful for the support given me. JESSE T. REES.

RASH ALMOST COVERED FACE

Warrenton, O.—"I have felt the effects of blood poisoning for eighteen years. I was never without some eruptions on my body. The terrible itching caused me much suffering and discomfort, while the rubbing and scratching made it worse.

BUSINESS GIRLS HELD MEETING LAST EVENING

Great Interest Manifested in the Y. W. C. A. Movement Inaugurated in This City.

That the young women of Newark are vitally interested in the projected Young Women's Christian Association movement was evidenced last night, when the special membership committee, comprising 50 business girls of the city, met in the court house for a brief consideration of plans for reaching their fellow workers. The session was very enthusiastic and the young ladies firmly expressed their ability to secure the necessary 1000 members for the association before next Monday evening. The session last evening was in charge of Mrs. J. S. Herzog, who is directing the work of the membership committee.

One of the interesting phases of the evening was the reading of a letter from Miss Anna Anderson of Portsmouth, O., telling of the splendid progress of the work in that city, and expressing the hope that Newark girls might not be prevented from enjoying similar benefits any longer than is necessary for the creation of the necessary funds. Miss Constance McCorkle, state organizer for the Y. W. C. A., was responsible for the enthusiasm created at Portsmouth, and as she is to have charge of the local campaign, its success seems assured.

The membership committee will be served a luncheon at the Trinity Parish house at 6 o'clock next Monday evening, at which time Miss McCorkle will outline to them her plans for the promotion of the local association. She has already been pledged the support of many prominent business men, and preparations are well under way for a concert to be given Nov. 21 in the High School Auditorium for the association work. This will be in charge of Miss Mary Jordan, an accomplished contralto and a well known Columbus pianist.

A very appreciable instance of the interest being taken in the Y. W. C. A. movement by business men of the city was that of Will Kuster, who last evening sent over to the committee an offering of doughnuts and coffee, with the statement that he had appreciated for a long time Newark's need of such an institution, and was glad to be able to show his interest in even a slightly substantial way.

DR. JAS. M'KINLEY SUFFERING WITH BRIGHT'S DISEASE

Dr. Charles H. Stinson was called in consultation over the case of Dr. James McKinley, formerly of Newark but now enjoying a splendid practice in Harrisburg, this state, yesterday. The physician is reported as suffering with a severe case of bright's disease which has baffled the efforts of himself and other physicians for several weeks. Reports from his bedside this morning are very optimistic, declaring that the patient is feeling better than he has for several days. Dr. McKinley is well known here, having made many friends during his practice in this city, not only as a physician, but as a public-spirited citizen whom Newark hated to lose.

REV. E. M. McMILLAN CALLED TO TOLEDO

Rev. E. M. McMILLAN of East Liverpool stopped off in Newark between cars last night, while on his way to visit with relatives in Mount Gilead, and gave the pleasing information that he had been called to the large First Presbyterian church of Toledo, Ohio. This news will be especially gratifying to the many friends and relatives of the East Liverpool man in this city, who have followed his career with interest.

A splendid student, Rev. McMILLAN should carry to his new charge, should he accept it, an insatiable thirst for knowledge, and a determination to advance the church sphere. He has just returned from a summer's study at the British Museum, emphasizing particularly in his studies the church history of the Scottish church. He also spent a portion of his time among the snow-tipped Alps in the vicinity of Lake Luzern, and his descriptions of these points of beauty are very convincing and fascinating. Rev. McMILLAN will preach tomorrow at the First Presbyterian church at Springfield.

FLOWER EXHIBIT OPENS TOMORROW AT HALBROOK'S

A chrysanthemum and flower show will occur all of next week and evening at the Halbbrook's green house, opposite Cedar Hill Cemetery. The show will be along the lines of those given in the larger cities of the state and will be the most elaborate ever attempted in this city. The rooms will be thrown open tomorrow and hand some displays of chrysanthemums, roses and cut flowers will be made. There will be different displays every afternoon and evening at which time postage stamps and numerous baskets of flowers will be shown artistically arranged by the experts in charge. The public is given a cordial invitation to call and inspect the flower exhibit.

Editor Advocate: Through your columns I desire to express my thanks to liberal, as well as to the other voters of Licking county, for the support given me as a candidate for County Commissioner. I am truly grateful to my personal friends, for in their loyalty I find enough to offset the sting of defeat. Sincerely yours, ORVILLE KIGER.

NEWARK HIGH AT MT. VERNON

The football team of Newark High school, numbering fifteen players, in charge of Manager Ned Warner, left this morning for Mt. Vernon on Baltimore and Ohio train at 8:10. A number of rooters accompanied the local squad to the Knox county capital.

The Newark boys are opposing the team of the Mt. Vernon High school in that city this afternoon. When the train pulled out this morning the boys were in high spirits and confidently predicted another victory for the unbeaten team of the local High.

DOANE ACADEMY VS. ZANESVILLE

Doane Academy will meet Zanesville High school at Zanesville this afternoon, in what promises to be one of the fiercest gridiron fights scheduled for the Baptist preparatory school.

The Granville boys have selected Ferris and Timmons as their ends for today, with Nicholson and Chanler as guards and Keester and Haskins in the tackle positions. Clark and Dale will divide honors as center, with Rupp, Q. Martin, Fullback; Butler, R. H., and Athey, L. H., in their usual places.

SAFE REMEDY ENDS CATARRH MISERIES

Gives Instant Relief, Cures and Prevents Catarrh and Cold in the Head.

The quickest, best and safest way to cure catarrh or a cold in the head is by using a remedy that will "touch the spot" and do its work quickly without leaving any bad effects. Ely's Cream Balm, which is applied to the nostrils or rubbed on the throat or chest gets right at the root of the trouble and instantly relieves even the worst case of catarrh or cold. A few minutes after applied you can feel a loosening up in the head, the pain and soreness are gone, the sense of taste, smell and hearing come back, and you feel like a different person. Ely's Cream Balm cleanses, heals and strengthens the inflamed membranes, takes away that stuffed up feeling and dull pain in the head, relieves the throat soreness and stops the nasty discharge, which is the cause of the disgusting hawking, sneezing, blowing of the nose, and foul breath. Hay fever victims who are made miserable by fits of sneezing, coughing and wheezing get instant and permanent relief by the use of this simple remedy.

Don't suffer another minute. Ely's Cream Balm will relieve you immediately, and a 50 cent bottle will more than likely work a complete cure. All druggists sell it.

Agent, Hall's Drug Store, 10 North Side Square.

SLAYERS WANT TO PLEAD TO MANSLAUGHTER

New York, Nov. 9.—The rumor persisted in about the criminal courts building today that the four gun men indicted for shooting Herman Rosenthal desired to withdraw their pleas of not guilty and enter pleas to murder in the second degree. Their counsel denied, however, that such a move was contemplated. The prisoners had nothing to say. There was no session of court today.

DELINQUENTS MUST PAY THE WATER BILLS

A large number of water consumers in the city will be without this commodity after December 1st unless there is more activity on the part of delinquents in the matter of paying for the service. After that date, all delinquents will lose the service. This is necessary in order for the clerks in the department to close up the year's business by January 1st, 1913.

SALVATION ARMY MEETINGS SUNDAY

The weather being propitious tomorrow the Salvation Army's brigade of special workers will conduct three open air meetings morning, afternoon and evening, also a united Christian praise service at 3 p. m. and a great Salvation meeting at 8 p. m. at which Captain J. R. Slayton will bring the message. Special music on the brass and stringed instruments, solos, duets, etc., will be played and sang at all of these services.

DR. LYON PASSED THROUGH CITY THIS MORNING

About twenty-five people gathered at the Baltimore and Ohio depot this morning to greet Dr. H. Lyon, the evangelist, who passed through the city enroute from Chicago to Parkersburg.

BREAKS A COLD, OPENS NOSTRILS

Pape's Cold Compound Cures Colds and Grippe in a Few Hours—Contains No Quinine.

The most severe cold will be broken, and all grippe misery ended after taking a dose of Pape's Cold Compound every two hours until three consecutive doses are taken. You will distinctly feel all the disagreeable symptoms leaving after the very first dose.

The most miserable headache, dizziness, head and nose stopped up, feverishness, sneezing, running of the nose, sore throat, mucous catarrhal discharges, soreness, stiffness, rheumatic pains and other distress vanishes.

Take this wonderful Compound as directed, with the knowledge that there is nothing else in the world, which will cure your cold or end Grippe misery as promptly and without any other assistance or bad after effects as a 25 cent package of Pape's Cold Compound, which any druggist can supply—contains no quinine—belongs in every home—accept no substitutes. Tastes nice—acts gently.

MUST REFUND FINES OR HE GETS NO MONEY

Columbus, Nov. 9.—Former Mayor D. J. Miller of Eaton, Preble county, failed to account for \$119.60 which he collected in fines and then resigned, and left the village, according to report of special accountant C. E. Lippincott of the state bureau of public accounting filed today.

The village owes Mr. Miller \$10 salary for the month of July, 1911, before he resigned, and the accountant recommends that this sum be paid him after he reimburses the village in the amount alleged due.

WITTENBERG "11" IS ROASTED FOR DENISON DEFEAT

Springfield, Nov. 9.—Wittenberg students are in a state of constant excitement over football since the crushing defeat administered by Denison last week. Professor E. E. Birch, faculty director of athletics, bulletined the school a day or two since, referring to the defeat as "shameful," and insinuating that extreme egotism was the cause of the trouble. Yesterday a new college publication, printed and issued anonymously, appeared. It is called "The Rap," and begins its career by roasting the football team. It describes the conduct of the team members, to all names prefixing "Miss" as being lady-like in every particular, and denying that one of the players was penalized for kicking a Denison player in the ribs.

Coach Keyser comes in for his share of criticism, and is blamed by students and faculty for not making the players more aggressive.

Wednesday, Dec. 4—"Bunt Pulls the Strings."

Underlined—Officer 666. Al G. Field's Minstrels. "The Little Shepherd of the Hills."

LAST NIGHT'S SHOW.

The Auditorium was crowded Friday evening to witness the Nancy Boyer's company production of "Clarice," with Miss Boyer in the title role. Her portrayal of the difficult character was more than pleasing and proved the best of the week engagement. Mr. William Wagner did a splendid piece of acting in the play made famous by William Gillette. The Nancy Boyer engagement closes tonight with the production of "The Price She Paid," which made a decided hit at the matinee Wednesday. A percentage of last night's receipts was given the Newark City Library by Messrs. Johnson of the Auditorium and Miss Boyer.

"THE PRICE SHE PAID" TONIGHT.

The old story of Enoch Arden is recalled in a measure by "The Price She Paid," one of the strongest dramas ever used by Nancy Boyer, which is sure to make a deep and lasting impression upon her many admirers, when presented here. In this case, however, the long lost husband is devoid of memory and come to the second husband of his wife to seek his aid in restoring by an operation, his lost identity. The play is based on the best of scientific grounds and is powerfully worked out, the suspense continuing until the last line of the final act. Think of it: your husband being asked to restore the memory of a man who you hate and fear, while all the time you know that success in the operation means misery to you, to your child and to the man you truly love, but cannot disavow from the path of professional duty.

The first act of "The Price She Paid" ends in the wreck of a yacht, the interior of which is seen. It is here that the head injury is received and the brute of a husband is believed to be crowned despite the effort of his young wife to save him. The scene is said to be very excellently done and arouses the greatest of enthusiasm. Miss Boyer is superb in the role of the wife, while Henry Testa, as the brutal husband, adds new laurels to his crown. Mr. Wagner, Nancy's new leading man, is fine as the surgeon, Mr. Hyde, excellent in a light comedy part, while splendid bits are contributed by Edward Barton, John J. Lynch, Ralph Campbell, Corda Davy, Elizabeth Montgomery and Kathryn Gumbert.

Nancy Boyer will present "The Price She Paid" this evening at the Auditorium.

"EAST LYNNE"

"East Lynne," one of the most delightful plays, and one of the greatest successes, that have been pleasing thousands of delighted theatre-goers and will keep on pleasing them, again and again, and then some more.

Miss Norma Berwin has made the part of Lady Isabel one of her best. Not only is it a notable effort in the light of her other impersonations, but it will stand favorable comparison with any that may be put up against it. Throughout the play Norma Berwin

realizes the fullest possibilities of the character. There is a naturalness about her work that gives it marked charm. The entire support is entirely satisfactory. Mr. J. W. Ray who, plays Archibald Carlyle, Mr. Joseph Henley, as Sir Francis Lovison, Mr. William Cattell, as Lord Mount Severn, Mr. Arthur Fitzjohn, as Richard Hare, Miss Adelaide Turner as Barbara Hare, Miss Isabel Turner as Little Willie, Miss Anna Cattell as Cornelia, and other members of the company all reflect great credit upon themselves and aid much in the enjoyable performance by their good work. Tasteful scenic effects and stage furnishings contribute to the same end. "East Lynne" will be the attraction at the Auditorium Monday, November 11. Prices 10, 20 and 30 cents.

"THE TYPHOON."

No play that was produced in New York last season aroused as much discussion and widespread interest as "The Typhoon," which will be seen here for one performance on Wednesday, November 13. The beauty and power of the story grips the audience from the start. Daring in its theme—away from American conventionalities—it is handled with that skill that shows the hand of an adept in its construction. New York and London society flocked to see this remarkable play and the Provincers are not far behind in following the lead of these centers. Seats are now on sale.

"BEVERLY."

To all of those who have read George Barr McCutcheon's delightful romance of love and laughter, Beverly of Graustark, there is a great treat in store when "Beverly," a dramatized version of this popular novel, will be presented here by the same excellent cast and massive scenic production as was presented in New York, Chicago, and the first class theatres of other principal cities for the past two seasons.

"BUNTY PULLS THE STRINGS." The seat sale for "Bunt Pulls the Strings," the Scotch comedy success which will be the attraction at the Auditorium in the near future.

Judging from present indications, it will be one of the largest advance sales of the present season. Already the management has been flooded with applications for seats by mail, which will be held in abeyance until the regular box office opening.

"Bunt Pulls the Strings" has made one of the most profound "hits" that America has seen in many years. In fact, not since the "Pinocchio" craze of thirty odd years ago has such a theatrical sensation been brought to the shores of this country. It is now in its second year at the Haymarket theatre, London, and played for over a year at the Comedy theatre, New York. It is one of those clean, healthy comedies whose greatness lies in the purity of its wit and the sublime near-to-nature flavor of the story and its characters.

"OFFICER 666."

A most engaging series of incidents sustained by a love interest that appeals because of its sincerity, a proper tangle of plot which is ingeniously unraveled and then as artfully unraveled, a number of sharp dramatic climaxes and real thrills, and above all a sustained, wholesome and refreshing quality of fun, combine to make "Officer 666," which Cohan & Harris will present here the coming season, the best farce in many years.

COHAN'S FAVORITE.

"What's your favorite line of all in the numerous plays you have furnished the American stage," asked a friend of George Cohan.

"All sold out," snapped the ladonic George M. "It's not original and never spoken from the stage, but by the man in the box office. I bet it's down at the top of every manuscript I begin and then do my darndest to write up to it."

THE ORPHEUM.

For the last time you have a chance

tonight to see the following program at the Orpheum:

Bud Farquhar, musical comedian, who plays on any kind of an instrument and furnishes the best of high class music.

Murray and Stone, black face comedians, in the latest songs and Mr. Murray is also a first class trick dancer.

The Kid from Boston, Mr. Paul Harris, is a musical comedian. He also has many songs and funny sayings and he can surely make you laugh.

Last but not least comes the circus act of Burns and Kahl, with dogs, monkey and a trained pony Bonnar. This little boy can do everything but talk. Then comes a Teddy, the wire-walking dog, who does in the business to walk on a wire. The funniest of the circus scene, and the little dog and monkey take the place of a black rider and with the funny clown put a real finish to the bill.

A big bill with line for Monday, Tuesday and Wednesday of next week. This bill will be headed by Douglas, Washburn and company, Nedda and Addara, acrobats, and two other big numbers.

Phenice Locant, the girl wonder change artist, will be on the bill next week, first last.

Remember, the prize nights all next week at a night performance.

LICKING COUNTY PYTHIANS TO HOLD A BIG MEETING

The Knights of Pythias of Licking county will hold a county meeting in the K. of P. hall in this city next Thursday evening, Nov. 14. This date has been selected by Grand Chancellor Walker, who has designated the coming week as "Jubilee Week," and 16 of these county meetings will be held each evening during the week. It is his desire to make these meetings a big success, and he is working through the county deputies. Dr. C. A. Burke of Johnstown is the Licking county deputy and through committees from the two Newark lodges is arranging the program. The Knights of Pythias are noted for their happy faculty of entertaining big crowds and this occasion will be no exception to the rule. This will be an open meeting to the extent that each member may invite one gentleman friend. Grand Prelate Ellis will be present and give an address, and this fact alone should draw a big crowd. The program, which will begin at 8 o'clock, is as follows:

Opening Ode.
Invocation—Rev. W. K. Himes.
Quartette.

Address of Welcome—W. A. Irvine.

Response—County Deputy Burke.

Quartette.

Report of Lodge Deputies.

Address—Grand Prelate E. W. Ellis.

Quartette.

Five minute talks by representatives of each lodge in the county.

Recitation by Bro. Geo. L. Warner.

Quartette.

Closing Ode.

Light refreshments will also be served during the evening. Each lodge in the county has a share in the expense of this meeting and it is expected that all will be well represented.

A man can make things uncomfortable for his wife, but she can always get back at him at housecleaning time.

HAD SALT-RHEUM FOR MANY YEARS

Doctors Failed to Cure Him—Goodhair Soap Did the Work in Three Days.

"For a long time I have suffered and been annoyed with a breaking out on the back of my hands, the doctors called it salt rheum. My hands were in such an awful condition I was ashamed to have them seen, so if I did not have a pair of old gloves on I would keep my hands in my pockets to prevent undue attention. Consulted several doctors and tried a number of remedies without any good results. Mr. J. L. Bolton of this city gave me two little samples of Goodhair Soap, requesting me to try it. The first application of the lather of this wonderful Soap gave me relief and in three days' time my hands were entirely well."

F. J. SOUTHWELL.

Brain, Mich. If your Druggist will not supply you with Goodhair Soap, send 25c to Goodhair Remedy Co., Newark, Ohio. Sample on request.

FREE LECTURE TUESDAY NIGHT

Every Church of Christ, Scientist, has at least one free lecture each year, in order that people may have the opportunity of knowing something of the subject of Christian Science. On next Tuesday evening the First Church of Christ, Scientist, of Newark, will have its annual free lecture, given by a member of the Board of Lectureship of the First Church of Christ, Scientist, in Boston.

In Webster's Dictionary, we find the word orthodox to mean: "According to the doctrines of Scripture."

In Science and Health and Key to the Scriptures, by Mary Baker Eddy, page 497, the religious tenets of Christian Science are given and the first one reads: "As adherents of Truth we take the inspired Word of the Bible as our sufficient guide to eternal life." If there is any doubt about Christian Science being an orthodox faith, this should clear it away, for Christian Scientists are making practical use of the Bible truths in their every-day lives.

The lecture Tuesday evening will begin at 8:15 o'clock, in the Auditorium, and the public is cordially invited to attend.

PROOFS OF PANAMA STAMPS APPROVED

Postmaster General Hitchcock has approved the proofs of the new issue of Panama-Pacific postage stamps.

The series comprises denominations of 1, 2, 3 and 10 cents. The stamps are to be 2 1/2-inch high and 1 1/2-inch long. At the top appear the words "U. S. Postage" and "San Francisco, 1915," the place and time of the Panama-Pacific Exposition. In the left border is represented a branch of laurel and in the right a palm branch. A numeral expressing the denomination is shown within a circle in each lower corner, with the words "cents" between.

The 1-cent stamp is green and bears a portrait of Balboa; the 2 is red, with an engraving of the Gatun locks; the 3 is blue, with an engraving of the Golden Gate; and the 10 is a dark orange, bearing a reproduction of the painting, "Discovery of San Francisco Bay."

Mr. Hitchcock has directed that 80,000,000 ones, 150,000,000 twos, 8,000,000 fives and 5,000,000 tens be prepared by the bureau of engraving and printing. They will be placed on sale at all postoffices on January 1 next.

NOV. 9 IN PUGILISTIC ANNALS.

1907—Billy Papke outpointed Pat O'Keefe in 6 rounds at Philadelphia.
1909—Jimmy Walsh and Tommy O'Toole fought 12-round draw at Boston.

1910—Abe Attell, American, and Owen Moran, English, fought 6-round draw at Philadelphia.

1910—Grover Hayes outpointed Joe Getz in 6 rounds at Johnstown, Pa.

1911—Dixie Kid, American, knocked out Johnny Summers, English, in two rounds at Liverpool.

1911—Jim Smith and Bill Harley fought 10 rounds, no decision, at Albany, N. Y.

There Are Two Good Reason Why We Should Have Your Business.

FIRST—Our association is not established for profit but for the mutual benefit of its members. Its earnings after actual expenses are paid are divided pro-rata among its members.

SECOND—We protect our members savings by only loaning money on real estate after the property has been inspected by three members of our board of directors and has been approved by the Board. As a further precaution after the property has been appraised at its actual valuation only two-thirds of the amount is loaned to take care of any possible shrinkage.

THE AWFUL PANIC DID NOT COME

The New York Tribune was the leading Republican newspaper that paraded the panic scare and preached that the election of Woodrow Wilson would paralyze business. But on Thursday the Stock Exchange report in that paper for Wednesday's transactions contained the following: "The unexpected happened and stocks shot up like rockets, and there was a general advance in the list ranging from 1 to 5 points. It was truly an energetic bull movement which drove the shorts to cover, and the gains were so uniformly large that the movement could not be attributed to a buying of specials. The volume of trading was large, exceeding one million shares, and the street turned to the theory that business was destined to improve regardless of political parties."

Four states voted for Women's Suffrage on Tuesday—Michigan, Kansas, Arizona and Oregon.

We lost a Democratic senator from Maine, but we gain one from Massachusetts.

No Democratic States responded to the call of the Bull Moose.

It may be observed even in Oyster Bay that the people do rule.

Does anybody hear the wheels of industry stop? Has the blight upon business made itself manifest? The fact, of course, is that it has been certain for a month, if not from the moment a third party ticket was put into the field, that the Democrats would carry the election, and the only response from the business world has been more business and orders further in advance. This country does not live on statutes: it lives on its vast natural resources and the industry and enterprise of its people. Wall street knows a good deal, and Wall street has a saying that it is never safe to bet against the United States. That is what the calamity howlers in the late campaign were trying to induce the people to do.

Does any one wish the Republican nomination for Vice President now?

Now what are the fellows who have been figuring on the result in the event of the choice for President being thrown into Congress going to do for exercise?

The insurance companies of the United States in 1911 paid out \$592,640,000.

Dr. Hartman Invites Doctors to Visit His Office

In my last article I referred to the fact that many doctors have used Peruna and have the letters that I quoted in it have offered to write me testimonials. I would pay them for their trouble.

The publication of these facts has caused some comment, especially by some of our correspondents. The doctors themselves especially emphasize the subject. I give an extract from a characteristic letter written by a doctor. He says:

Dear Doctor Hartman: I have read what you say about the regular physicians using Peruna and their attitude toward written testimonials. I think you treat them generously by not condemning them for making such offers. I know from personal experience that most of the drug houses are willing to pay for that sort of work. I wish, however, you had given the names and addresses of the doctors you refer to in your article. Your statements would have been much more convincing if you had done so. You will excuse me if I express some doubt as to the good standing of the physicians that you refer to. Do you mean to say that you have in your files the letters which you quoted from in your last article? Will you let me see those letters if I should call at your office? I am the editor of a medical journal and would be glad to take the matter up as a news item interesting to physicians.

To this letter I made the following reply:

My Dear Doctor: I am glad you are interested in my article concerning the doctors and their attitude toward Peruna. I assure you that I have the letters that I quoted in it and article and that you are perfectly welcome to examine them if you will call at my office. And at the same time I have many other letters quite as remarkable as those that you may examine. In fact, I will open to you my files, which are so arranged that hundreds of thousands of letters, covering the last twenty years, are available. You may spend as much time as you please in looking over the correspondence. To each letter I have received, filed in alphabetical order, is appended a copy of the answer they received. You being the editor of a medical journal, I should especially appreciate it if you would spend some time in looking through my files. I am sure you will find the most remarkable letters you ever looked at. They tell the story of thousands of invalids who have been afflicted with some chronic catarrhal disease and have found complete relief by taking Peruna. If I should publish them all they would make a library equal to any law library in the city.

Come right along, Doctor. You shall not only see the two letters referred to in my former article, but I guarantee that you will see scores of others equally as interesting and valuable. Bring as many other doctors with you as you please.

Peruna, Man-a-lin and La-cu-pia, manufactured by the Peruna Company, Columbus, Ohio. Sold at all drug stores.

SPECIAL NOTICE—Many persons inquire for The Old-time Peruna. They want the Peruna that their Fathers and Mothers used to take. The old Peruna is now called Katarina. If your druggist or dealer does not keep it for sale, write the Katarina Company, Columbus, Ohio, and they will tell you all about it.

Nov. 9 In American History.
1793—Josiah Tatnall, noted United States and Confederate States naval commander, born in Georgia; died 1871. Tatnall originated the phrase "Blood is thicker than water."
1872—Seventy million dollar fire in Boston, then regarded as the third largest in modern history, destroyed 748 houses, including many of the city's business blocks.
1911—Howard Pyle, noted artist and author, died at Florence, Italy; born 1833.

ASTRONOMICAL EVENTS.
(From noon today to noon tomorrow.)
Sun sets 4:47, rises 6:42. Evening stars: Mercury, Venus, Jupiter. Morning stars: Saturn, Mars.

LODGE NEWS

Roland Lodge, K. of P.
At the last meeting, on Tuesday evening, Nov. 5, a number of the members turned out and an enjoyable session was held. One application for membership by initiation was received and another applicant was elected to become a member. The Page rank will be conferred next Tuesday evening. After the work those present were taken on a trip "around the world," which was in the form of stereopticon views of scenes in Ireland, Scotland, England, Egypt, Denmark, Sweden, France, Germany and others of the old countries and also scenes in the United States. The pictures were kindly loaned by Brother George Dover and a lecture in connection was given by Brother Henry Pfeiffer. After this the entertainment committee brought in a bushel of apples and some choice cigars and a pleasant social evening was enjoyed. Don't forget the big county meeting next Thursday evening, Nov. 14. A fine program has been arranged and will be found elsewhere in this paper. Each member is privileged to bring a male friend who would make good Pythian timber. County Deputy C. A. Burke of Johnstown wants to make this a big rally night, so make your plans now to be there. All sojourning Knights in the city are cordially invited. The program will begin at 8 o'clock.

K. O. T. M.
Octagon Tent K. O. T. M., met in regular session Wednesday evening. There was a good attendance, considering the stormy evening. One application was received and elected to membership. Deputy Conner was with us again and will be back in a few days to help in a campaign for new members, so please report any prospects to the R. K., for we want to keep the deputy busy.

Royal Neighbors.
Daisy Camp, No. 2574, met in regular session Wednesday evening. Two applications were balloted on and accepted. At the next regular meeting, Nov. 13, there will be a class adoption. The members will also vote on changing the regular meeting night and every member should be present. Refreshments will be served after the closing of lodge. A good attendance is desired.

The Hollender Hotel.
Superior Ave. Cleveland East 6th Street

Where Ohio People Meet

Located in the center of business and shopping districts. Within about one block of all down-town theaters, places of amusement and suburban railway stations. The Hollender offers its guests a cordial welcome, perfect service, and every modern convenience.

WOODROW WILSON REALIZES HIS RESPONSIBILITY

Woodrow Wilson justified his election in the first speech made after being assured of his tremendous victory. "I have no feeling of triumph tonight," he said, "but a feeling of solemn responsibility. I know the very great task ahead of me and the men associated with me."

These are words of a man mentally and morally competent to fill an office of immense power. Few if any positions in the world possess so much. It is no "job" in which a restless, boisterous and ambitious man can "have a bully time." It is a trusteeship for the benefit of nearly 100,000,000 people, and no man fit for the place can contemplate it without being first impressed, as Governor Wilson was, by a sense of vast responsibility put upon him.

The nomination was a great achievement, and yet when it came to Governor Wilson the first sensation was not that of elation, but of the responsibility involved: the responsibility to his party which had intrusted its chances of success to his leadership. Could he lead it to victory? Was he more likely than any other to do so? Would his selection result in the defeat of his party? These were the thoughts that filled his mind when news came to him that he had scored a great personal triumph.

A still greater victory came to him on Tuesday, and again the first thoughts were not of elation at winning a prize, but of solemnity at having immense duties imposed upon him. A man who takes a great office in this temper will make no serious mistake. He will make no mistake whatever of the sort inspired by an exaggerated ego. A man whose first consciousness in his hour of triumph is of his duties and of his ability to meet the demands to be made upon him, will administer his office wisely, conscientiously, patriotically.

It must have been a great surprise to some of the calamity howlers to see the sun shine so brilliantly after election.

Whilst there are destructive floods and famines in Asia and fierce fighting on the Asiatic-European border lands, the people of America are at peace with all their neighbors: they have been blessed with abundant harvests; and they are about to bring their government into the old and close relation with the Declaration and the Constitution as made by the Fathers.

Republicans treated Foss as a joke two years ago, but he gets elected Governor of Massachusetts once every year.

PEACE AT LAST.

Old Bildad, infesting the shanty next door, is quietly resigning the campaign is over. He greets me politely, he smiles and sings; and daily and nightly sweet peace waves his wings. All summer we quarreled and ranted our gowns and threw double-barreled verbs, adjectives, nouns. He stood up for Woodrow. I hollered for Taft; we raised such a good row the whole village laughed. I called him a faker, a chump and a crank, and used up an acre of language quite rank. He called me a lummi and drove me away with donkeys and hummocks of sandstone and clay. He called me a donkey. I called him a hog; I kidnapped his monkey, he poisoned my dog. The campaign is ended, deserted the stump: the losers have wended their way to the dump: the men who were aiding the popular cause, have cut out the raiding, they're resting their jaws. The Facts they were piling are left high and dry: and friendly and smiling are Bildad and I. Together we mingle, we lean on the fence, and talk of Kris Kringle and topics of sense. The folly's forgotten that filled us with woe: no adjectives rotten are passed to and fro. And we would live ever in harmony thus, if there should be never political fuss.

THE HUMAN PROCESSION
By O. Terrence.

"FIGHTING FRED FUNSTON," CAPTOR OF AGUINALDO, 47 TODAY

Railroad man, newspaper reporter, botanist, explorer, war correspondent, and, last of all, and more than all, a fighter from the word go, summarizes the career of General Frederick Funston, U. S. A.—a career that commenced forty-seven years ago today in New Carlisle, Ohio, when and where "Fighting Fred" was ushered into the world. His father, Edward Hogue Funston, was something of a scrapper himself, having served gallantly through the civil war, retiring with the rank of captain. Later Funston senior, married Ann Elizabeth Mitchell, a descendant of Daniel Boone, the Kentucky pioneer and Indian-killer. Yes, there is fighting blood in the Funston veins, as he has proved in Java, the Philippines and elsewhere. The elder Funston, in addition to his soldier-like activities, served three terms in the House of Representatives, and was prominent in the politics of Kansas, which state was the scene of Fred Funston's youthful activities.

"Fighting Fred" was still in his teens when he "flew the coop" of his parents and went to Mexico. There he acquired a speaking acquaintance with the Spanish language, but not much else, and soon decided that Kansas was good enough for him. After leaving the University of Kansas he went to Kansas City and got a job as a train collector. Railroadng didn't particularly appeal to him, so he next tried his hand at reporting on a Kansas City newspaper. At the university he had accumulated considerable knowledge about flora and such things, and this enabled him to land an appointment as a government botanist. That sounds rather tame, but in reality Funston's botanical career was full of excitement and hair-breadth escapes. He was a member of expeditions to Death Valley, California, and the wildernesses of rigid Alaska, and added much interesting and useful data to the scant scientific knowledge of those sections. Funston camped on the Klondike in the winter of 1894, and, alone, floated down the Yukon in a frail canoe. That experience was one that would have prematurely aged the average lumberjack, but the bullet-headed young Kansan enjoyed it. He came out of the country beyond the Arctic Circle pretty thoroughly chilled, and proceeded to the tropics to get thawed out. After visiting a coffee plantation in one of the Central American banana republics for a short time, he went back to railroadng. That was too tame, and Funston answered the call of "Cuba Libre" and hiked off for Havana. The Cuban revolution against Spain was then waging, and Funston was the accredited war correspondent of Harper's Weekly. He just couldn't

keep out of the fracas, however, and enlisted in the Cuban army, in which he soon became a lieutenant-colonel and chief of artillery, under General Garcia. He was in the battle of Desamario, and wrote a story about it that is one of the classics of military literature. As a Cuban officer, Funston fired the first dynamite gun ever used in actual warfare. He knew nothing about big guns, but took a chance, with the printed directions on the packing case as his guide.

When Uncle Sam interfered in Cuban affairs, Funston was made colonel of the Twentieth Kansas, which, however, got no farther than Florida. Next he bobbed up in the Philippines, where he fought the little brown men to a frazzle, and won immortal fame by capturing General Aguinaldo, "president" of the Philippine Republic. He didn't swim a river as was reported at the time, but he did risk his life in a thousand ways that have not been mentioned. He was rewarded by being made a brigadier-general. General Funston was in charge of the Department of California at the time of the San Francisco earthquake, pardon—the San Francisco fire and brought order out of the chaos that followed the disaster. He—but, hallow, this is not a book.

KEEP YOUR KIDNEYS WELL.

Health is Worth Saving and Some Newark People Know How to Save It.

Many Newark people take their lives in their hands by neglecting the kidneys when they know these organs need help. Sick kidneys are responsible for a vast amount of suffering and ill health—the slightest delay is dangerous. Use Doan's Kidney Pills—a remedy that has cured thousands of kidney sufferers. Here is a Newark citizen's recommendation.

George K. Buckel, 31 Granville St., Newark, Ohio, says: Doan's Kidney Pills did good work in my case and I am glad to recommend them to anyone I had pains in my back and kidneys. The kidney secretions were irregular in passage until I used Doan's Kidney Pills procured from A. F. Grayson & Co.'s drug store. They gave me entire relief.

For sale by all dealers. Price 50 cents. Foster-McBirn Co., Buffalo, New York, sole agent for the United States.

Remember the name—Doan's—and take no other.

Their Ill Success.

Chicago doctor opines that the average woman loves a cave man. But most of them have to be content with flat dwellers.

HOW'S THIS?

We offer One Hundred Dollars Reward for any case of Catarrh that cannot be cured by Hall's Catarrh Cure. F. J. CLEMENTS & CO., Toledo, O.

We, the undersigned, have known F. J. CLEMENTS for the last 15 years, and believe him perfectly honorable in all business transactions and financially able to carry out any obligations made by him.

W. L. WAUGH, KINXAN & MARTIN, Wholesale Druggists, Toledo, O.

Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system. Testimonials sent free. Price, 75c per bottle. Sold by all Druggists.

Take Hall's Family Pills for constipation.

HEALTH HINT FOR TODAY.

Care of the Feet.

The proper care of the feet is of much greater importance to the preservation of the health than many people imagine, says Dr. Edith B. Lowrey. Many of the minor diseases, as well as those of a more serious character, can be traced directly to the improper care of the feet.

Wet feet were regarded by our parents as an almost certain cause of colds, sore throat and kindred ills. They were thick soled shoes or goloshes that protected their feet. In our race for the beautiful we are inclined to neglect the utility of some of our wearing apparel, especially the shoes. It is very common even in winter to see youthful maidens standing on a cold corner well wrapped in furs, but with their feet poorly protected by thin silk hose and light oxfords. The feet and ankles should be well protected in cold and damp weather if one would avoid sickness.

Corns and bunions, although usually laid to tight shoes, are due more to ill fitting shoes, especially to pointed toed shoes. The natural foot does not merge to a point at the toe, but is nearly as broad there as at the ball, yet the majority of shoes are so constructed that they crowd the toes together and throw the foot out of shape.

Cold feet are the bane of many, especially of the elderly. These usually can be remedied by wearing proper shoes that do not constrict nor bind and by giving some attention to the hose worn.

One never should go to bed with cold feet. Many people lie awake for hours because their feet are cold. Such persons should take a hot foot bath before retiring. Some elderly people are much troubled with cold feet. In several cases a hot foot bath relieves the condition. This gives better results if a little mustard is added to the water. It probably will not be necessary to take the foot bath more than once or twice a week, for the stimulation to the circulation from the heat and mustard seems to give permanent results.

USED "BUBBLER" TO WASH FACE OF OFFSPRING

The bubble fountains around the square have suffered a great variety of indignities from persons who evidently regard them as a wonderful curiosity, but it remained for the new "bubblers" in the Baltimore and Ohio station to receive the crowning indignity.

Yesterday when one of the station porters went into one of the retiring rooms he found a woman with three grimy-faced infants lined up in front of the spoutless fountain. With a scowl of the hand, she filled her pail with water and quickly transferred it to the "spout" of her offspring and administered a good scrubbing, returning at times to the fountain for a further supply of the cleansing fluid.

Against the desecration, the porter informed the woman that the fountain was not exactly intended for a bath-tub and that the ablutions must end, and securing cloths and scouring powder, put the "bubblers" into condition to quench thirst.

Porto Rico's New Wonder.

From far away Porto Rico come reports of a wonderful new discovery that is believed will vastly benefit the people. Ramon T. Marchan of Barcelona writes: "Dr. King's New Discovery is doing splendid work here. It cured me about five times of terrible coughs and colds, also my brother of a severe cold in his chest, and more than 20 others, who used it on my advice. We hope this great medicine will yet be sold in every drug store in Porto Rico." For cough and lung troubles it has no equal. A trial will convince you of its merit. 50c and \$1.00. Trial bottle free. Guaranteed by F. D. Hall.

New York's Demand for Coal.

One year's supply of coal for New York city loaded into fifty-ton cars would make a train reaching from Salt Lake City to the Atlantic ocean, a distance of 2,452 miles.

ROYAL BAKING POWDER

Adds Healthful Qualities to the Food

Prof. Prescott, of the University of Michigan, explains why Royal Baking Powder adds healthful qualities to the food.

Testifying before the Pure Food Committee of Congress, the Professor stated that fruit acids were excellent articles of food and that of these cream of tartar, the acid of grapes, held rank with the highest both in itself and its effect in the process of leavening and baking. He regarded the results from cream of tartar baking powder as favorable to health. Scientists and hygienists are in accord with this opinion.

Royal is the only Baking Powder made from Royal Grape Cream of Tartar.

SNAPSHOTS BY BARBARA BOYD

The Woman Who Never Knows Her Happiness

SHE had a very beautiful home, and she wore pretty frocks. Her hats were the envy of all her friends. And her husband was cheery and even-tempered. Yet her mouth had a melancholy droop, and her voice was mostly a wail.

"What beautiful flowers you have," said a friend gazing in admiration at a big, sunny window full of blooming plants.

The woman looked at them discontentedly.

"Do you think so?" she said. "I don't think our flowers are pretty."

"What a lovely dress that is you have on," exclaimed another friend, at another time.

The woman viewed it with dissatisfaction. "Oh, I don't know," she replied. "It doesn't fit very well. And the color isn't becoming."

"That's a dandy auto your husband has," admired a neighbor as the motor stopped in front of the door.

The woman gazed at it rather peevishly. "I didn't want him to get an auto," she said. "I never have a minute's peace when he is out with it. I know he'll be killed or crippled for life."

And so it goes. You can't mention a thing that woman owns, that there isn't something wrong with it. Her milliner charges her outrageous prices. Her piano isn't as sweet-toned as it might be. Her entertainments are always dismal failures, no matter how delightful her friends may think them. Her trips are always tiresome; and she doesn't see, anyway, why people don't stay home, instead of forever gadding about. Her cook is wasteful, and doesn't season things just as she likes them. Even her husband, she confides now and then to an intimate friend, does try her at times.

And all the beauty and comfort and luxury and happiness that is hers, she really is unconscious of.

Her husband ought to pretend a failure in business, and move her into two rooms with no carpet on the floor and a wood stove and a second-hand cot to sleep on. She ought to have to live on beans and take in washing. He ought to work up a fictitious elopement with a charming lady, and do a few more of these things, to open her eyes to the blessings that really are hers.

Else she might as well turn them over to somebody who can enjoy them, and be the worm in the dust crawling through a valley of tears which evidently now is her cherished belief.

Barbara Boyd

KA-TAR-NO

THE OLD-TIME PERUNA

You used to take Peruna years ago. So did I. So did we all. This old-time Peruna that everybody knows is now sold under the name of Kat-tar-no. We keep it in stock. Endorsed by the Peruna Company and Dr. Hartman. Did you read their Ad. last week? Great demand for Kat-tar-no. The old friend of your household. Send us your order or call.

Daniel Altshool, Distributor, 34 South Third Street, Newark, Ohio.

BULLET WENT THROUGH WM. CARSON'S VEST

Negro Held Up by Men Claiming to Be Railroad Detectives—Was Robbed of \$4 and Ordered to "Beat" It.

William Carson, aged 30, a colored man, who has been employed as a laborer with a construction gang in northern Illinois, was the victim of a nerve hold-up Friday night about 11 o'clock four miles north of the city. Two men who represented themselves to be B. & O. detectives, ordered him out of a box car, a part of a southbound train. When he resisted, one of the men drew a pistol and fired point blank at Carson, the bullet penetrating his vest on the left side. He was then robbed of \$4 and ordered to "beat" it.

Carson made his way into the city and reported the matter to Captain Swank at headquarters. He said he had beaten his way to Newark from Mt. Vernon on a freight train. The train stopped near the Dry Creek bridge north of the city and the two hold-up men entered the car where Carson was riding. They ordered him out and Carson attacked one of the men when the other whipped out the pistol and fired at him. One of the men drew a pair of handcuffs from his pocket and stated that he was a B. & O. detective. The "irons" were placed on his wrist and fastened to the sides of the car. The two men went through his clothes, taking \$4 in money, all Carson had. They then ordered him to make himself scarce and they disappeared in the darkness along the train.

Carson boarded the train again when it started and rode into the city. He saw the two men leave the train near the city limits, but made no effort to follow them. He went at once to headquarters where he reported the matter.

The night patrolmen were provided with a description of the two men and instructed to watch out for them, but they were not located.

TEN MILES OF CONCRETE WALKS BUILT THIS YEAR

The splendid weather this fall has enabled the cement contractors doing work for the city, to do much more work than was expected when the contracts were advertised early this fall. There is a complete line of concrete walks from Main to Riley streets on Williams. Contractors are just completing the work on Seroco street from Pory to Zelora avenues and the next few days will see the conclusion of the work on the Central avenue walks. More concrete walks have been constructed in Newark in the year just closing, than ever before. It will amount to almost double that laid in 1911, or about 10 miles.

Sense always spells cents.

FAVORS A CARNEGIE LIBRARY

(Communicated.)

The ever precarious life of our Public Library seems now to be ebbing.

Why? Newark—a city of approximately 30,000 inhabitants, is disgraced by this condition of affairs. Why not at this juncture come to our senses and petition for a Carnegie Library?

If we have any mawkish sentiment in regard to doing this, we would better cast it behind our backs for the methods taken by Andrew Carnegie to amass his fortune are quite as legitimate as those of other business men of our acquaintance.

While the plan of securing labor at the lowest possible cost may not be humanitarian it is an universal practice, and when money so secured is turned over to the public good,—they who fail to take advantage of it are, according to a homely adage, "Biting their nose to spite their face."

When Springfield, Mass., opened its fine Carnegie Library to the public a year ago, an editorial in the Springfield Republican stated its many advantages but ended by saying that it would have been of far more credit to a city like Springfield had it come forward and built and equipped its own library; but since it could not rise to that emergency, then all hail to the public spirited man who had come to their assistance. Just so with Newark.

Does any individual of the city of the county stand ready to provide our young people with what they have a right to demand?

If not, let us at once take steps to secure our portion of this bounty.

It would be of interest to visit the multitudinous libraries that stand today as a witness to the generosity of this one man.

Several have come under the notice of the writer during the past few months.

Vancouver, British Columbia, has built its large library somewhat aside from the center of the city,—in the poorer district. Visiting it on a rainy afternoon it was found to be thronged with earnest readers. What might her not have been doing without that hospitable building providing shelter for the body and refreshment for the mind on that inclement day?

The library at Victoria, on Vancouver Island, presented a welcome sight, with its tastefully arranged flowers and charming ladies in waiting.

Honolulu has its Carnegie Library in process of construction.

Sava, the chief city of the Fiji group with its one thousand whites and two thousand blacks, offers to the tourist its most attractive Carnegie library.

Onehunga, a suburb of Auckland, New Zealand, has its library also and the Scotch patrons thereabouts are proud of their countryman who had the energy and the acumen to accumulate a fortune and then possessed sagacity enough to give it out as an inexhaustible mine, for the enlightenment of mankind.

Is there a cry that too great responsibilities are laid upon the city by accepting such a gift?

Surely we are not paupers to sit idly down and have bread put into our mouths. If one were found generous enough to give us each a house and lot and providing we pay the taxes and keep up the repairs, would it not excite us to extra effort and add to our self-respect that we were at last properly housed?

There was once a city that was kept open because "it knew not the lay of its visitation." Its fate was tragic.

FLORENCE G. FRANKLIN.

Only a Fire Hero

But the crowd cheered, as, with burned hands, he held up a small round box. "Fellows! I shouted, 'this Bucklen's Arnica Salve I hold, 'as everything 'best for burns.' Right! Also for boils, ulcers, sores, rashes, eczema, cuts, sprains and bruises. Surest cure. It subdues inflammation, kills pain. Only 25 cents at F. D. Hall's.

IMMENSE SUM IN THE POSTAL SAVINGS BANKS

Washington, Nov. 9.—Postmaster General Hitchcock announced today that approximately \$28,000,000 had been deposited to date in postal savings depositories by 290,000 individuals, averaging 66 per depositor. The system is now operated in 12,702 postoffices and 7,352 banks have qualified to receive postal savings funds.

Miss Grace Ballard, who has been visiting Miss Theresa Kuster, has returned to her home at Findlay.
James Floyd, B. and O. yardmaster, is seriously ill at his home in the East End.
The Senior and Junior German classes will celebrate Schiller's birthday in the High school chapel.

Fifty Years Ago Today.
Nov. 9.
The sudden removal of General McClellan, while his army was engaged in a campaign, was the absorbing and exciting topic of the hour. General B. F. Butler was removed from the Federal command at New Orleans and succeeded by General N. P. Banks.

Twenty-five Years Ago Today.
Goldwin Smith advocated a commercial union of the United States and Canada.

The affidavit was filed by Mary Lofland, who alleged that Howard's machine collided with Besie Scott, in Union street, Sept. 25, and that as a result the girl suffered a fracture of three ribs and a skull condition was reported in yesterday's Advocate, is rapidly improving, and her physician is confident that the child will be about the house in a very few days, news that is assuredly very gratifying to the many friends of the little patient.

Grange Meeting.
Lafayette Grange will hold a grange fair and open meeting combined on Thursday evening, Nov. 16, at the Brooks school house. The public is cordially invited.

Receiving Bids.
Service Director Wayne Collier is receiving numerous inquiries regarding the bids for a large quantity of pipe and valves to be used in the extension of the city water mains. The bids will be opened Nov. 13.

Paralytic Stroke.
Mrs. Henry Hillbrant was stricken with paralytic stroke Saturday at her home in the Welsh Hills. She was reported as resting comfortably in the afternoon and it is thought that no serious consequences will follow.

Meeting Recalled.
On account of the dedicatory services at the West End Lutheran church, the meeting of the Christian Men's Union for tomorrow afternoon has been recalled and the meeting will be held Sunday afternoon, Nov. 17, in the First M. E. church.

Will Assist at Service.
Rev. C. G. Rose and Wilson A. Holmes, of the Ohio Baptist association's headquarters at Granville, were in Newark Saturday on their way to Newville, where they will assist in special exercises at a newly-built Baptist church Sunday.

Located Lost Boys.
Juvenile Officer Sheridan took a 6 year old colored lad into custody shortly before noon Saturday. The lad was lost and had been at the Murphy grocery for several hours. He was finally identified as the son of Dick Means, a porter in a West Main Street saloon.

Woodrow Wilson Beet.
W. J. Henderson raised a beet weighing seven pounds and three ounces on his farm on the Linville Road and has named the variety "Woodrow Wilson" beet. Mr. Henderson now claims the laurels as the champion beet gardener.

Prosecuting Attorney Phil B. Smyke, who has been in Hot Springs Ark., for several weeks, writes James Sheridan of the probate court that he is making a splendid recovery from his recent illness. The prosecutor says he will leave for Newark on Saturday, November 16.

An Old Resident.
An Advocate reporter was this morning handed a little slip of paper on which was penned the words "written by W. D. Nutter, the oldest man in Licking county. Born September 19, 1819." The penmanship is splendid the letters forming the words being uniform and legible. Mr. Nutter now past 93 years old, is well preserved and is enjoying good health.

Chrysanthemum Exhibit.
Visitors at the Kent flower store on Church street are commending today the general excellence of the chrysanthemum exhibit which has been in progress there for the past two days. Eight splendid varieties are on exhibit, ranging through the various tints of yellows and purples, as well as the pure whites. Several large sales have been effected.

Woman Swindler.
Newark people are being imposed upon by some unprincipled woman who is representing herself to be an agent of the King's Daughters while soliciting funds which she claims to turn over to the organization. Miss Elizabeth Felix states that the King's daughters have no agent who is authorized to solicit funds and warns all Newark people against being victimized by the fraudulent representations of the woman.

Little Patient Improving.
Advices from the Hulshizer home in Locust street today indicate that little Lucille Hulshizer, whose condition has been so critical, is improving. New York has thirteen Yiddish papers, three of them dailies.

SERVICES AT THE BAPTIST CHURCH ON FIFTH STREET
Dr. H. O. Rowlands of Chicago last night addressed over a hundred persons at the Fifth Street Baptist church on the subject of "Baptism," tracing the importance of the baptism, both historically and symbolically, and emphasizing the fact of its representation in Christ and the mystery of the death in sin by that Resurrection.
At the close of the service, Dr. Rowlands' invitation for candidates for baptism was accepted by twelve persons. Baptismal services will be held at the Fifth Street church tomorrow morning and evening so large has the list of candidates become during the past week.
Dr. Rowlands also announced his intention to continue the special service during the coming week, and it is believed that many others will avail themselves of the opportunity to formally unite with the church work in Newark during the coming meetings.

RUNAWAY GIRLS BROUGHT HOME BY COURT OFFICER
James Sheridan, probate court officer, arrived in Newark last night from Marion, Indiana, bringing with him two girls who ran away from their homes Sunday night and landed in the Indiana city.

No very good reason could be assigned for the escape of the girls and with very little persuasion they were induced to return to their homes here. The Newark officer found them in the home of an acquaintance in Marion.

They were taken back to their homes, one on Vine street and the other on McKinley avenue, but their names have been held on their promise to refrain from all such adventures in the future.

BOY OF FOURTEEN FORGES MOTHER'S NAME TO CHECK
The juvenile court officers are on the lookout for Fred Cherry, aged 14 years, for the commission of an offense that is usually confined to persons much his senior in point of years.

On Thursday the boy, whose home is in Mechanic street in East Newark, forged the name of his mother to a check for \$20 and after cashing the spurious document at one of the downtown banks disappeared. Nothing has been heard of the lad since the commission of the offense, but it is thought by the authorities that he has left town.

AUTO PARTY TO ROOT FOR NEWARK HIGH
In an automobile gaily decorated with pennants and with a huge paper machine bull dog seated on the radiator a party of local High School boys left this city this morning to witness the Newark Mt. Vernon game in Mt. Vernon this afternoon. The machine was driven by Russell Brandt and in the party were Fred Hall, Harry Douce, Dale McNamar, Carl Seigle and Howard Rugg.

Ex-Sultan Abdul Hamid of Turkey is an accompanist. He plays the organ with the grace of a professor.

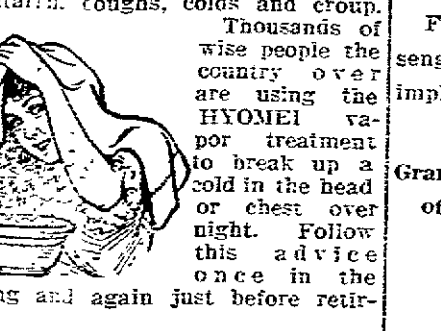

OBITUARY

MISS HELEN BURTON.
Mrs. P. Burge of 431 Hudson avenue, received word Saturday morning that a cousin, Miss Helen Burton, daughter of Mr. Bloom Burton, formerly of Brownsville, Licking county, now of Columbus, died Friday evening. Burial Monday at Columbus.

CATARH Coughs, Colds

Pleasant Vapor Treatment That Gives Relief in a Few Minutes.

Here's an offer that means something. Money returned if Booth's HYOMEI doesn't give satisfaction in treatment of catarrh, coughs, colds and croup.

Thousands of wise people the country over are using the HYOMEI vapor treatment to break up a cold in the head or chest over night. Follow this advice once in a while and again just before retiring.

Into a small bowl full of boiling water pour a scant teaspoonful of HYOMEI, cover head and bowl with a towel and breathe deep into the lungs the soothing, healing, germ killing vapor that arises.

HYOMEI is Australian Eucalyptus, an antiseptic that is used extensively by the foremost nose and throat specialists in the world, combined with other antiseptics.

A bottle of HYOMEI is 50 cents at Evans' Drug Store and druggists everywhere. A complete outfit which also includes a hard rubber inhaler for \$1.00.

CRIMINAL ASSIGNMENT CASES TO BEGIN
November 23—News of the Court House.

The common pleas court criminal assignment will commence on November 25.

The case of Ohio vs. S. A. (Dick) Holler, a charge of murder in the first degree in connection with the Etherington lynching, has been set for trial on December 2. This is the last case in the Etherington matter in which a prisoner is charged with first degree murder.

Case Postponed.
The slander case in which Ida Parkhurst of Jersey charged Mattie Thompson of the same place with uttering false and malicious statements injurious to her character, has been continued until Friday, November 15.

The case was set for hearing in the court of Squire D. M. Jones yesterday, but the continuance was asked on account of the illness of a material witness.

Squire Jones' Court.
On the affidavit of A. L. Norton, K. K. Hines, a paper-hanger, was brought before the court of Squire D. M. Jones Friday on a charge of embezzlement.

The affidavit recites that Hines secured from the Norton store a quantity of brown oatmeal wall paper for use in a job at Hanover, with the understanding that all material not used was to be returned. The affiant says that, contrary to this, Hines converted to his own use all the material remaining after the completion of the work, the same being of the value of \$10.

When brought before the court, Hines furnished bond in the sum of \$25 to insure his appearance on Saturday.

Marriage Licenses.
Cecil M. Vance, gas fitter, Crooksville; Jennie E. Revenagh, Utica.

CARD OF THANKS.
We desire to thank our many friends for their kindness and sympathy shown during the sickness and at the death of Mrs. Jessie Gaver. Also for the beautiful floral offerings. Grace Gaver, Prof. Rhea Mount.

Ever notice that the fellow who tells a girl he would die for her wants to take his own time about doing it?

Is the Church Making Good?

By CHARLES STELZLE

Is the church losing its grip upon the life of the nation? Look at a few figures. In 1800 only seven persons out of every 100 of the total population in this country were members of the church. In 1850 there were fifteen in every hundred; in 1870, seventeen; in 1890, twenty; in 1900, twenty-two; in 1910, twenty-four. There seems to be a crisis on just now. The chart shows that from 1900 to 1910 both the increase in population and in church membership was the same. It's a tie! What will the next decade show? It's rather unsafe to prophesy. But meanwhile what should be the outcome? Is the church as an institution worth supporting? Let's be frank about the matter. The church was not created by priests and ministers. It grew out of the natural religious instincts of the people, for every man is naturally religious. The persistence of religious institutions shows that they are factors of importance in the life of the community. For many the church is the most powerful of all the agents of social control. Its place

THE CHURCH AS A RELIGIOUS FORCE

"Holding its own"
or
"Evangelizing the World"
WHICH?

21%	21%
Increase in the U.S. 1900-1910	Increase in Church Membership 1900-1910

among social institutions is unique. From this standpoint alone the best interests of society will be better served by strengthening the church instead of battering it down, and as all social questions are fundamentally moral and religious the religious element in the church cannot be dispensed with. As a matter of fact, the church does its best work in the realm of idealism. Josh Billings once said, "Before you can have an honest horse race you must have an honest human race." There's lots of horse sense in this expression. Before you can have an ideal system you must have ideal men. It's the chief business of the church to develop such men—men with muscle and mind and morals, men who will fight for the right and a square deal. Those who believe in the general proposition that it's better to have strong men than weak, educated men instead of ignorant, good men instead of bad, will hit well sincerely look into the matter as to how the church is working out its job.

LABOR NEWS

Trades and Labor Assembly delegates, remember the regular meeting of the assembly tomorrow morning (Sunday) at 9 o'clock. There will be business that should interest you. Let none absent themselves. The election is over and has become a matter of history, and we presume that all brothers exercised the right of American citizenship and voted for the men and parties that looked best. The people have been heard from. You know that the old Latin readers say that the "voice of the people is the voice of God." Now let us, as good American citizens, do all in our power to hold up the hands of those whom the majority of the people have chosen to administer our grand old government.

Our last meeting was a very good one in point of numbers and interest manifested. The assembly was opened in due form by President Archer and Chaplain Robert Davis. All officers were present except First Vice President Conn and Guard Lang.

The minutes of the last meeting were approved as read by Secretary Johnson. The Labor Day committee made their final report which was by a prevailing motion received and filed. Bills totaling \$11.15 were ordered paid. Quite a bunch of communications was read by the secretary and by motion referred to proper committees.

Delegate W. M. Morgan made a very fine detailed report of the proceedings of the Ohio State Federation of Labor and same was received and filed. A unanimous vote of thanks was given Bro. Morgan for the faithful manner he served the assembly at the state convention of O. S. F. of Labor at Canton, O.

PRESS COMMITTEE.

A prosperous merchant always is in close intimacy with good advertising.

ON SECOND THOUGHT.

What has become of the old fashioned man who excused his chin whiskers on the ground that they were a protection to his throat?

No government will ever become sufficiently paternal to keep the sucker and his money together.

The Taft children have attracted so little attention from the newspapers that the suspicion that they are both well bred and well behaved is beginning to obtain.

The Missourians are mighty careful of their women. Hez Rasco, who was hanged not long ago, spent seven years in the penitentiary for killing one.

NEWARK HIGH SCHOOL NOTES

William Ashley and Thomas Mazy entered school this week, bringing the enrollment up to 619.

Dorothy Kramer of Hebron is rapidly recovering from her recent operation. Everyone will be glad to see her back in school.

Glenn Johnson, who has been out three weeks on account of an appendicitis operation, will be with us soon, for which we are thankful.

Miss McCoy, the drawing teacher, had some of her pupils make drawings for the headings of the various departments of the Reville. The cuts will greatly improve the looks of the paper. Watch for them in the next issue.

Supt. Hawkins took Rev. Mr. McCormick of Bellaire through the high school Thursday afternoon. There have been many out of town visitors at the school this year.

Newark high has selected the question for debate with Mr. Vernon and Zanesville. Resolved: "That judges who hold office by election, should be subject to recall by popular vote under such regulation as shall be prescribed by law." The other schools have not yet replied.

The teachers of the city attended the Central Ohio Teachers Association meeting in Columbus yesterday and today. Some were on the round-table programs, among whom were Superintendent Hawkins, Mr. Barnes, Miss Wotring and Miss Thomas. The pupils enjoyed the holiday.

Considering the football team in every way, it is without doubt the best that has ever represented the high school. It is light but fast. The eleven players play as a unit. Great credit should be given Coach Kieckley for the excellent showing of the team.

This afternoon the football team is in Mt. Vernon, playing the high school of that place. So far the team has not been beaten. It has rolled up 154 points to its opponents 19. It has won from Coshocton, Granville, Zanesville, East High and North High of Columbus. May Mr. Vernon's scalp be added to the list.

The Science club held its second meeting Thursday evening. The following program was given: Sir Isaac

Newton, Thuren Huffman; Cryptology, Paul Mossman; Ghomel Motor, John East; Carbon Dioxide Gas (Illustrated), Eugene Nells; Current Events, Harry Gutridge; Verbal Report of Critic, John East. This club bids fair to become a very active one and its members are very enthusiastic.

At the Thanksgiving season the Seniors are to give a program to the public. It is planned that after the program a reception will be tendered the football team. This promises to be one of the big events of the season. It is to be hoped that the public will turn out to witness this literary program and that the auditorium may be filled. No charge will be made. This will be the first of a series of literary programs which will be combined with the social. Guy Swingle, the president of the class, has appointed the necessary committees. Paul Edwards is the president of the Senior Literary Society. These two are pushing the work so that there will be no question about the success of the undertaking.

Brings Sweet Slumber to Nerve-Wrecked People

Hundreds With Nervous Trouble Are Being Benefitted by Morse's Glycerole, the Purely Vegetable Nerve Tonic, Which Evans' Drug Store Guarantees.

Brings Sweet Slumber to Nerve-Wrecked People

Hundreds With Nervous Trouble Are Being Benefitted by Morse's Glycerole, the Purely Vegetable Nerve Tonic, Which Evans' Drug Store Guarantees.

That old devil, insomnia, is the greatest booking agent on earth. The result of his never-ending labor is so great that it requires thousands of sanitariums and hundreds of insane asylums to take care of his bookings.

The overflow he sends to prisons, jails, workhouses and graveyards. Of course, he has some help; his chief aids are morphine, bromides and coal tar products.

Insomnia is a grave disease; it means that the great nervous system, the real life of the body, is impaired and the disease should be healed promptly and sensibly.

Morse's Glycerole is a pure vegetable nerve tonic that will force old insomnia to cut your acquaintance in short order. The formula is on every label.

It is such a safe and harmless nerve sedative that thousands of physicians prescribe it for teething infants—mothers should remember this.

It is guaranteed for brain fag, nervousness, sleeplessness, despondency and lack of vital force.

For people broken in health from over indulgence in alcohol or tobacco or from excess of any kind, Morse's Glycerole is guaranteed.

Reads pretty strong, and it is the strongest guarantee that anyone can give. But Mr. Hazen Morse, the expert chemist, who has been scientifically compounding Morse's Glycerole for physicians and hospitals for 30 years, knows so well what his product will do that he is willing to pay the price if Morse's Glycerole fails to benefit run down people.

Large bottle for \$1.00, smaller ones for 50 cents—24-page booklet free. Ask Evans' Drug Store.

WOMAN SUFFRAGE CAMPAIGN IN 1913 IN STATE OF OHIO

The 27th convention of the Ohio Woman's Suffrage Association will be held at Columbus Nov. 14. Miss Fola La Follette will deliver an address on the 14th on "Democracy of Woman Suffrage." Miss La Follette is the daughter of Senator R. M. La Follette of Wisconsin.

Among the distinguished speakers who will address the National Woman Suffrage convention in Philadelphia, Nov. 21-26, will be Bishop Darlington of the Episcopal diocese of the Harrisburg district; Mr. Geo. Foster Peabody, a prominent banker of New York and president of the Men's League for Woman Suffrage, and Judge Dimmer Beeber, president of the Pennsylvania Men's League.

The first convention of the Men's International Alliance for Woman Suffrage just closed an interesting session in London, where delegates from a dozen different countries were in attendance.

Ohio advocates of woman suffrage have renewed their campaign for the ballot and a systematic plan to organize every county in the state has gone into effect. They will invoke the initiative and referendum law to submit the question to the voters in the near future, probably in the autumn of 1913.

A HARMLESS WAY TO DARKEN THE HAIR

A Little Sage and Sulphur Makes Gray Hair Vanish—A Remedy For All Hair Troubles.

Who does not know the value of Sage and Sulphur for keeping the hair dark, soft and glossy and in good condition? As a matter of fact, Sulphur is a natural element of hair, and a deficiency of it in the hair is held by many scalp specialists to be connected with loss of color and vitality of the hair. Unquestionably there is no better remedy for hair and scalp troubles, especially premature grayness, than Sage and Sulphur Hair Remedy, in which Sage and Sulphur are combined with other valuable remedies for keeping the hair and scalp in clean, healthy condition.

If your hair is losing its color or constantly coming out, or if you are troubled with dandruff or dry, itchy scalp, get a fifty cent bottle of Wyeth's Sage and Sulphur from your druggist, use it according to the simple directions, and see what a difference a few days' treatment will make in the appearance of your hair. All druggists sell it, under guarantee that the money will be refunded if the remedy is not exactly as represented.

Agent, Hall's Drug Store, 10 North Side Square.

Everybody reads the Want Column

Welsh Calvinistic. Sunday school at 9:30. The Rev. John R. Johns of Columbus will preach at 2 p. m.

St. Francis de Sales Church. Masses at 7 and 10 a. m. Baptism at 1 p. m. Benediction of the Blessed Sacrament at 3 p. m. Sermon at each mass. St.

First M. E. Sunday school at 9:15. Evangelistic service and reception of members at 10:30 and 7. Let all who expect to unite with the church be present at the morning or evening hour. Large chorus led by Prof. Klopp and solos by Mrs. Best. We hope to see our entire membership at these services. Epworth League at 6 p. m. Class meeting at 6 p. m.

Holy Trinity Lutheran. Corner West Main and Williams streets. Pastor, C. C. Roof. The day will be given over to the dedicatory services of the new church. Sunday school will begin promptly at 9:15 a. m. The dedicatory sermon will be preached at 10:30 by the Rev. G. B. Schmitt, pastor of St. Paul's. The sermon in the evening will be preached by Rev. H. L. Warger of Atchison, Kan., secretary of the Board of Church Extension. On Friday evening will be held the preparatory service to the communion, which will be held Sunday, Nov. 17. New members will be received at this service, infants baptized and the installation of the new council. Everybody welcome to all these services.

Central Church of Christ. The Bible school session will begin at 9:15, instead of 9:30. It will be preceded by a half hour teachers' meeting for the studying of the lesson and for prayer. Morning worship at 10:25. Subject, "A Chanced Life." Senior C. E. prayer meeting at 5:45. Evening worship at 7. Beginning with a baptismal service, subject, "With Christ in Death, Burial and Resurrection." Mr. Guy R. Sutton will have charge of the music during the day. He will direct the large chorus choir and sing a solo at each service.

Fifth Street Baptist. Services morning and evening at the usual hours. Dr. H. C. Rowland, the acting pastor, will preach. Subject of morning sermon, "A Mile or Two Miles." Evening, "A Public Profession." Bible school before morning service.

First Congregational. North Fourth street, north of Locust. Great rally day. Every attendant at the church is urged to be present. Sunday school at 9:30. Morning service at 10:45, subject, "What Change Does Conversion Make?" Christian Endeavor at 6, subject, "Zeal." Conservation meeting. Evening meeting at 7, subject, "Reflecting the Gospel." Bring your red song books. Wednesday at 7:15,

evangelistic service. A reception of members will be held Sunday, Nov. 17. All who desire to unite with the church at that time are requested to report to the pastor.

St. Paul's Evangelical Lutheran. The Rev. Geo. Bohon Schmitt, pastor. Sunday school at 9:20 a. m. There will be no morning service in St. Paul's owing to the dedication of Holy Trinity Lutheran church. Our people are urged to avail themselves of the opportunity of attending this service. Holy Trinity being a child of St. Paul's, we should all be present. Luther League devotional service at 6:30. Evening worship in St. Paul's at 7:30. Midweek service Wednesday evening at 7:30. Children's Mission Band at 2 o'clock. Mrs. Tyner, superintendent. Catechetical class Friday afternoon at 3:30 o'clock.

St. John's Evangelical Lutheran. German service at 10:15 a. m., subject, "The Apostle's Exhortation to Walk With God." Sunday school at 9 a. m. Evening service with special music at 7 p. m. Catechetical instruction Tuesday and Friday at 4 p. m. German classes Wednesday and Saturday. Prayer meeting Thursday evening at 7:30 at the home of F. Roesser, 53 Poplar avenue. Choir rehearsal Friday evening at 7:30 sharp. All members are urged and friends are invited to attend all of these meetings possible.

Woodside Presbyterian. D. A. Greene, minister. Sunday school at 9:30. Preaching at 7:30, subject, "How Christ Reconciled God and Sinners." Meetings each evening next week. Reception of members Sunday, Nov. 17.

Walnut Street Mission. Special services will be held at the Walnut Street Mission, between Fifth and Sixth streets, at 7:30 each evening and at 2:30 Sunday afternoon. Evangelist Tucker of North Carolina, will be in charge, with other workers. Christians, come help push the slum work. Undenominational. Everyone welcome. We are also in need of an organ in the mission.

Plymouth Congregational. Rev. J. M. Thomas, pastor. All services will be resumed tomorrow. Sunday school at 9:30; Dr. C. B. Keller, superintendent. A men's Bible class will be organized; Dr. Thomas will be its teacher. Preaching services at 10:45 a. m. and 7 p. m. Rev. R. Northey will preach. Young People's Christian Endeavor at 6. A large attendance at all services is hoped for, and especially our new members. Special singing by male quartette, Mazey, Peck, Myers and Welcker. Mrs. Ashton, organist.

Second Presbyterian. The Rev. Geo. M. Rourke will preach at 10:30 and 7. New members recently joining the church will be publicly received at the morning service. The session will meet at 13 o'clock to talk with any who may wish to unite at this time. Sabbath school at 9:15.

Flagged Train With Shirt. Tearing his shirt from his back an Ohio man flagged a train and saved it from a wreck, but H. T. Alston, Raleigh, N. C., once prevented a wreck with Electric Bitters. "I was in a terrible plight when I began to use them," he writes, "my stomach, head, back and kidneys were all badly affected and my liver was in bad condition, but four bottles of Electric Bitters made me feel like a new man." A trial will convince you of their matchless merit for any stomach, liver or kidney trouble. Price 50 cents at F. D. Hall's.

COMMUNICATED

To the Editor: Dear Sir: I am requested to publish the reasons why Catholics are not allowed to become members of the Y. W. C. A., and I request you to do me the favor of making this statement. They cannot join any association that excludes them from holding office because of their religion. Now it is well known that the above-named association, like the Y. M. C. A., debar us from holding any offices for the reason given at the Toronto convention, viz, because they do not regard Catholics as Christians. Another reason why we cannot become members of either of these associations is because they are sectarian and carry on religious services just like any other religious denomination. They may tell us that we are not required to join in their religious exercises, but we cannot recognize them on that account any more than we could any other sect or religious organization. We are ready to co-operate with our dissenting brethren in all good works, but we cannot do anything that would have even the appearance of denying our faith. Those who know the Bible must approve of this course. The example of Eleazar is sufficient for the present.

Personally, I doubt whether any real good will come of this new movement. I think we should endeavor to help our young people to stay at home, rather than be inducing them to go elsewhere. Those excellent ladies who have happy homes believe it would help them to be happier if their sons and daughters were led into the habit of staying in some club in the evenings, rather than at home. I believe we have already too many clubs and social societies and that it is the influence of these things that is fast breaking up our home lives and de-

That Wonderful Event

IF THERE is a time above all times when a woman should be in perfect physical condition it is the time previous to the coming of her babe. During this period many women suffer from headache, sleeplessness, pains of various description, poor appetite, and a host of other ailments which should be eliminated in justice to the new life about to be ushered into this world.

DR. PIERCE'S FAVORITE PRESCRIPTION

is a scientific medicine carefully compounded by an experienced and skillful physician, and adapted to the needs and requirements of women's delicate system. It has been recommended for over forty years as a remedy for those peculiar ailments which make their appearance during the critical period. Motherhood is made easier by its use. Thousands of women have been benefited by this great medicine.

Your druggist can supply you in liquid or tablet form, or you can send 50 one-cent stamps for a trial box of Dr. Pierce's Favorite Prescription Tablets, to Dr. Pierce, at Invalids' Hotel and Surgical Institute, Buffalo.

It is your privilege to write to Dr. Pierce for advice, and it will be gladly given free of charge. Of course all communications are confidential.

SERVICES AT THE CHURCH OF CHRIST

The meetings being conducted by Rev. Dr. Ward of the Central Church of Christ are only a continuation of the Lyon campaign, both in spirit and interest. Subject Thursday night was "The Word of Life" and was presented in such a forceful manner that men and women stepped out on the Lord's side, taking Christ as their personal Savior, by the score. And say, if you have not heard that special choir and orchestra music, led by Mr. Sutton, you want to make it a point to hear it.

BETTER THAN SPANKING.

Spanking does not cure children of bed-wetting. There is a constitutional cause for this trouble. Mrs. M. Summers, Box W, Notre Dame, Ind., will send free to any mother her successful home treatment, with full instructions. Send no money, but write her today if your children trouble you in this way. Don't blame the child, the chances are it can't help it. This treatment also cures adults and aged people troubled with urine difficulties by day or night.

FIRST THINGS

The first newspaper published in America in the western country north of the Ohio, was issued in Cincinnati 119 years ago today. It was called The Centinel of the Northwestern Territory. William Maxwell was the editor and publisher. For six years it had no competitor, but in 1799 Joseph Carpenter began the publication in Cincinnati of The Western Spy and Hamilton Gazette. While the Cincinnati Centinel was the first paper published in the West north of the Ohio, it was not the pioneer sheet of that section. The first journal to make its appearance west of the Alleghenies was the Kentucky Gazette, issued by John and Fielding Bradford, at Lexington, Ky., in August, 1787. Journalism gradually made its way westward, and in 1801 the Indiana Gazette, later the Western Sun, was founded at Vincennes, Ind. The first paper west of the Mississippi was the Missouri Gazette, established in St. Louis in 1809 by William Charles.

The Store Where Quality Counts

PUBLIC LIBRARY

(Continued.)

In connection with the article appearing in Thursday's Advocate headed "May be Forced to Close the City Library," I had to add a few thoughts. When the city council first decided Newark should have a free public library and appointed trustees to start one and made an appropriation to pay the salary of a librarian, it seemed an experiment to find out the real needs of the city. Many thought Newark did not need a library, its resources for reading being sufficient, but each month's report has shown the increase of borrowers and the steady growth of public interest. Yet the support from the city has remained the same. Now if the city council cannot make a proper appropriation for this great educational work for lack of funds in the city treasury, why not make a gift of the library to the Board of Education, placing it under their supervision, the same as other educational work of the city, which it now supplements in every way?

The library deserves a more dignified standing than to be made a mental by begging for its support. It is right and proper the people of Newark should make gifts of books and periodicals for the use of the general public, but the library should be a public institution and should be cared for by a well paid efficient librarian and assistants.

The librarian helps to mold the character of the public for she is the guide of many patrons of the public library, and helps them to cultivate a taste for reading good books. Why not put our library on a broader, higher plane and expect the necessary support for it that we do of other educational work of our city? Since it has proven a force of good for our citizens, why not support it from the public funds as it rightfully should be? We are not the first city to try this. There are libraries all over the country and even in our own state. In fact there are cities even much smaller than Newark without a good public library supported by public funds, either by the city, county, or board of education.

Now instead of depending on subscriptions of a few good citizens to carry on this great uplift work of the city, let us put it where it rightfully belongs and support it from the public funds. When the demand comes for more teachers and better equipment it is met and why are not city needs met upon the same basis and in the same spirit?

NEWARK CITIZEN.

Twins in Common Faring.
Barwin has recorded a French case of two twin brothers, one living in his and the other in Vienna, who were attacked by rheumatic ophthalmia at the same moment. Each was stricken, when consulting a specialist, the other was suffering from a like complaint, and mention of the fact, recent letters confirmed this.

THE BIRTHDAY CALENDAR

IF THIS IS YOUR BIRTHDAY

Be considerate and give no offense. Especially must those in employ be careful. General good fortune is indicated, and by keeping on the alert you will see an unusual number of things which can be turned to your advantage.

Those born today will be fortunate in their undertakings and generally successful in public life. Their faults will be those of the haughty and proud.

IF THIS IS YOUR BIRTHDAY

Announcement is indicated for you and perhaps some illness. In material things you will be fortunate, and some journey or change which you contemplate will result favorably.

Those born today will be capable of great advancement. If under wise direction early in life. They will learn easily to fill positions of trust.

The Remaining Good.

If you lose heart about your work, remember that none of it is lost, that the good of every good deed remains and breeds and works on forever, and that all that fails and is lost is the outside shell of the thing, which, perhaps, might have been better done; but better or worse has nothing to do with the real spiritual good which you have done to men's hearts.—C. Kingsley.

New Canarder "Alconia" leaves Feb. 15, 11 days, 2400 up, including hotels, guides, drives, etc. trips Jan. 4, Round the world, C. Clark, Times Square, N. Y.

LITTLE BENNY'S NOTE BOOK

Do you no wat day this is, ma sed to pop wen he cam hoam yesidday.

No, what day is it, sed pop.

Its the 13th anniversary of our wedding, that's wat day it is, sed ma.

Of korse, of korse it is, sed pop, you don't think for a minit I didnt no that, do you, I thawt you went wat day of the weak it was, Im always forgetting wat day of the weak it is, jest think, 13 years ago today we were maid man and sooper man, happy day.

I was such a bamsun dog then that awl my friends advised me to stay singl and keep my good looks.

If you remembered the date so well, its a wonder you didnt bring me hoam sumthing to sho you remembered it, sed ma.

I did bring you hoam sumthing, sed pop, serens, I brawt you hoam sumthing, the idee of you thinking I didnt bring you hoam anything.

Ware is it, then, sed ma.

Ware indeed, sed pop, its in my ovircote pocket, of korse, ware eis shoed it be, Benny, go down and bring rure mothir wats in my ovircote pocket.

So I went down in the hall and felt in awl the pockits in peps ovircote, but there wasent anything there except 3 segars and I brawt them up and ma sed, 3 segars, wats the meaning of this.

Thats awl there was, I sed, and pop sed, You havent got the sents you were born with, kum down agen with me and Ill teach you how to hunt.

So pop and me went down stares and looked in his ovircote and didnt find anything and he sed, Kerses, Ive lawst it, heers 2 dollirs, run around the kornir and get a pritty book or sumthing, and if you can remember the time wen you hurried faster than you

evir hurried in yure life befor, think of that time and make a noo reckord.

So I ran around the kornir fast as anything, feeling a pritty good rummir, and thare a place around thare ware you can get books and things and wat was in the windo, but a pritty book with a green covir, called, How to be kum a good pokir playir, 2 dollirs, and I kwick went in and bawt it and the man rappel it up and I ran hoam agen and pop was still wairing in the hall and I gave him the book and he went up stares agen, and pop sed, Heer my deer, heer it is, the idee of you thinking I forgot to bring you hoam sumthing appropriate.

And ma took the packidge and took the papir awl and wen she saw the naim of the book she dropped it awn the floor and sat down as if she was going to faint and pop leened over and saw the naim awn the book to, and I thawt, may be ma mite of red the book befor and didnt want it for a prezant agen, and pop shook his fist at me and winked at me not to say anything both at the same time and then he said, My deer, sunoddy has made a terrible mistake, I ordired a book kalled, Lives of the saints or sumthing like that and now look wats happened, and jest to think, I paid 10 dollirs for it, to.

Wat, sed ma, 10 dollirs, wr, I cood get a no bat for that, and pop sed, Cood you reely, then Ill tell you wat, heers 10 dollirs for the bat and Ill take the book back and get the unhir 10 back, how duz that soot you.

Awl rite, sed ma, and took the 10 dollirs, and pop took me out in the hall and sed, I reely awt to give you a god lickinz, but bekause of extenayting serkumstances Ill jest give you a dime to keep kwier.

Wich he did.

DOES THIS LOOK LIKE A PANIC?

The Pennsylvania railroad has ordered 3,000 box cars and 1,000 automobile cars from the Pressed Steel Car company and 1,000 box cars from the company's shops at Altoona, Pa.

Enormous Water Power Available.
Experts have estimated the water power available in the streams of the United States all the way from 31,040,000 to 55,146,000 horse power.

NEWARK, OHIO.

Clothes Of Distinction

....We're sure we're not putting it too strong when we say that Smart Clothes are Clothes of "Distinction."

The garments are certainly very different from the ordinary Ready-to-Wear Clothing you meet at every turn.

OUR CLOTHING HAS CHARACTER

It comes to us from the best shops of the Best Makers known to trade, where the hand of the Skilled Craftsman is guided by the for brains, made clear by experience.

Our Handsome Fall Smart Suits, Over and Raincoats at \$10, \$20 and \$25 are productions that cannot be excelled at their price.

The path of good dressers is both easy and economical if he goes here for his clothes.

The real good things are what we sell.
